KETS funds are used by the district to purchase student and staff devices, infrastructure, help fund the Student Technology Leadership Program (STLP), and provide professional development opportunities for teachers and staff. Data Considerations: Maintaining replacement cycle of student and staff devices, adding/replacing infrastructure such as servers and network equipment, and provide additional opportunity for professional learning for school and district staff.

Policy: 01.11 – General Powers and Duties of the Boards

Fiscal Impact: KETS Offers of Assistance provide funds to the district to support the implementation of technology related projects, equipment and training. These funds are provided by the state and used each year to help purchase student devices, provide training to staff, and support programs such as the STEM and STLP. included in the budget each year and do not require additional expenditure or an increase in the budget.
