**Recommendation/Motion: Approve the Contract Addendum #8 to the contract with the Lexington Fayette County Health Department for coverage of Summer Ignite, and introductory sessions July 31-August 4, 2023. A total of 1,080 hours of coverage for a total additional cost to the contract of \$54,896.40 (Fifty four thousand, eight hundred and ninety six dollars and forty cents).**

**Background/Rationale:** On May 20, 2019, the Board approved a bid from the Lexington Fayette Urban County Health Department to provide nurse services in schools not serviced by Healthfirst Bluegrass School Based Clinics. The original contract called for 160 hours of coverage for summer school. The COVID-19 pandemic has made conditions such that a greater number of students need to utilize instructional services in the summer. This increase has led to the District asking the Lexington Fayette Urban County Health Department to provide more coverage for summer school. 14 nurses have agreed to provide an additional 1,080 hours to cover schools during the summer school period (June 12-29), as well as introductory camps for incoming Kindergarten, 6<sup>th</sup> and 9<sup>th</sup> grade students (July 1-August 4). These additional services will be at a cost of \$54,896.40 and are to be covered by ESSR funds.
