RE: Request for Board Approval- Permission to post (9) painter positions and (1) paint crew supervisor

Upon Board approval, the ten previously named positions will be posted using funds allocated in the 2022-2023 budget. The cost of the work is \$45,000.00 plus miscellaneous material and resources cost of approximately \$10,000. A list of painting needs is being compiled and studied by the maintenance department leadership and will be used to set the painting schedule for the summer work.

I recommend the Board approve the request to post (9) paint crew member positions and (1) Paint crew supervisor position.
