Re: Newport High School – Stadium Renovation – Phase I
BG #23-197 / REH #149-1022

Dear Mr. Watts:

This office has reviewed the Proposal on referenced Project received by you and opened today. This review indicates that Leo J. Brielmaier Co. has submitted the lowest and/or best Proposal amount of \$1,295,000.

Base Bid

\$1,295,000

We understand you are rejecting the Alternate No. 1 option for Water Line Replacement.

If you and the Board concur, we recommend that Leo J. Brielmaier Co. be awarded this project, subject to approval of the Proposal by the Kentucky Department of Education.

In addition, we have received a Proposal from Vine & Branch, LLC with a Base Bid amount of \$1,201,951 for the new aluminum grandstand being purchased via state cooperative contract. This brings the total BG-1 construction cost to \$2,496,951.

We are enclosing a copy of the typed Bid Tab for your files and one copy of revised BG-1 for your completion and presentation to the Board for approval and subsequent upload to KDE's FACPAC. *Please note, this BG-1 form is being provided as a guideline for completing the new BG-1 on KDE's FACPAC website – that form will need to be completed online, printed, signed, and uploaded.*

We appreciate the opportunity to work with you and the Board.

Best regards,

Ehmet Hayes
