MCHS Update

- The new administration/office is now occupied.
- The new media center demo has begun.
- Work continues upstairs, including the new walls are built and final demo is taking place for the new elevator and additional stairwell.

Continuous Improvement

Members of the MCPS Deeper Learning Cohort attended the 2023 Deeper Learning Conference in San Diego, CA in March. The group learned about instructional designs and strategies that will help improve student performance.

Peak Moments

- The MCPS Student Ambassadors hosted their annual Young Leaders Conference on March 11 at MCHS.
- Fifty students in grades 4-8 were selected to attend.
- Ms. Kentucky Hannah Edelen gave the keynote address.

Peak Moments

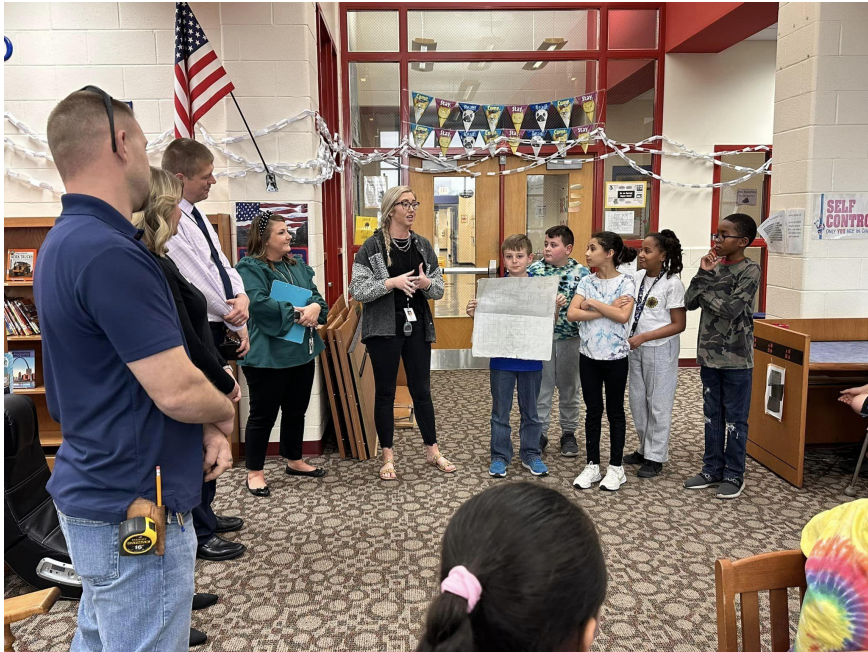

Glasscock
Elementary student
Alyssa Thomas
served as a FRYSC
legislative page.

Peak Moments

- Glasscock Elementary had a ribbon cutting ceremony for their new stage in the school's library.
- GES students designed the stage as part of a group project; ATC carpentry students built the stage; and MCHS art students painted the stage.

Peak Moments

MCKA students in the Cultural Diversity Club, led by Monisha White and Theresa Calhoun, visited Kentucky State University.

Peak Moments

MCKA 8th grade students participated in a social studies live scoring event. Each student received individual feedback on their writing through social studies content.

Peak Moments

The MCPS Reading Celebration was held on March 23. Approximately 320 students and families were in attendance to enjoy events hosted by schools and community partners. Thank you to the district Library Media Specialists, food service workers, student ambassadors and others for their commitment to this event.

Peak Moments

- MCHS held a College and Career Fair today.
- Marion County High 9-12 grade students participated.
- Washington County High 11 and 12 grade students participated.

Student Success

MCMS students
competed in a
robotics
competition and
advanced to the
state
competition.
