BACKGROUND INFORMATION:

Board of Education action is required prior to amending contract days for positions.

SUMMARY OF MAJOR ELEMENTS:

Requesting the Board amend the ETC Coordinators employment contract to increase from 180 days up to 185 days. These extra days would mainly be used at the beginning of the school year to prep for the upcoming year before students arrive. In addition, requesting the Board increase their work day from 6.5 hours to 7.5 hours. Due to needing to escort each child out each afternoon in order to keep the front doors locked for security purposes, there is not enough administrative time for the Site Coordinators to complete their required tasks. Estimated total added salary combined would be approximately \$13,000.
