Consent Agenda Item (Action Item): Consider/Approve granting permission for the Superintendent to sign the allocation form from Enterprise.

Applicable State or Regulations: General Powers and Duties of the Board (01.11)

Fiscal/Budgetary Impact: N/A

History/Background:

Last year GM opened the window for ordering 2023 Chevrolet Express Vans on June 16, 2022 at 8:00 am and the window closed within a couple of hours of opening. I received information from Enterprise that the 2024 ordering will be allocated again this year. With the short time frame on getting in on these allocations we cannot move quickly enough with getting Board approvals. By allowing the Superintendent to sign the allocation form when the window opens will allow us to at least get in the allocation bank. This does not mean we have to take the vehicle and the lease will still be brought forth for Board approval.

Recommended Action: To allow the Superintendent to sign the allocation form from Enterprise.
