DESCRIPTION OF WORK:

Contractor will mow grass cutting areas as shown on the exhibit map three times per school year. The first cutting is to take place in May. The second cutting in July and the third in September.

AREA "A" Scope of Work:

Grass cutting is to include the entire area between the Route 680 Right of Way the east entrance, the west exit, and the school roadway.

AREA "B" Scope of Work:

Includes the area west of the school exit between the Right of Way and creek around the water pump station. It also includes the slopes and flat area to the creek around the sanitary sewer lift station. The remaining area of Area B includes the area along the exit roadway and the parking and roadway on the northwest side of the school. This area is typically 30 feet from the edge of the curb.

AREA "C" Scope of Work:

A small area located between the rear parking lot and the athletic field access road.

AREA "D" Scope of Work:

Includes the area south of the east entrance from the Right of Way around the flat area and hillside where the gas well is located. The area continues along the east entrance road and a portion of the athletic field access road. This section is 30 feet typically from the curb generally following the existing tree line.

ALTERNATE 1 Scope of Work:

The contractor is to provide pricing for Alternate 1. This area includes the ditch line and slopes from the rear parking lot along the athletic field access road from outside of Rip-Rap ditch to outside of Rip Rap ditch.
