

Kenton County School District | It's about ALL kids.

## Issue Paper

**DATE:**

April 19, 2023

**AGENDA ITEM (ACTION ITEM):**

Consider/Approve all KCS D schools the opportunity to flex the approved district calendar dates designated for professional development in the 2023-24 calendar according to the individual school needs.

**APPLICABLE BOARD POLICY:**

8.3 School Calendar

**HISTORY/BACKGROUND:**

In accordance with KRS 158.070, a local school board may approve a school's flexible professional development plan that allows teachers and other personnel within a school to participate in the professional development activities outside of the days scheduled in the school calendar. The enclosures for each school contain the professional learning plans that were created in collaboration with each School Based Decision Making Council in accordance with KRS 156.095 and KRS 158.070. Please note the flexible dates that schools would use in order to provide high quality professional learning for staff as they work to meet differentiated needs.

**FISCAL/BUDGETARY IMPACT:**

N/A

**RECOMMENDATION:**

Approval for all KCS D schools the opportunity to flex the approved district calendar dates designated for professional development in the 2023-24 calendar according to the individual school needs.

## Beechgrove Elementary School

### 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

#### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

Data is reviewed and analyzed with a variety of stakeholders at Beechgrove Elementary on a consistent basis. During weekly PLC meetings, weekly assessment data and common assessment data is reviewed with teachers utilizing Performance Matters. The data is analyzed to determine next steps in instruction for students and identify where there are gaps in understanding of the standards. Other data sources that are analyzed include MAP data and KSA data. As part of the analysis of common assessment data, teachers breakdown the percentage of proficient/distinguished for each standard measured on the assessment. For those students who have not yet mastered the standards, teachers identify ways to spiral back and reteach content. Through collegial conversations, teachers are able to share instructional strategies and a plan of action for students. When KSA data is released in the fall, the data is analyzed as a school and with specific grade levels. Teachers triangulate this data with other classroom data sets to determine next steps in instruction for students and to set goals with students to promote growth and achievement. The MTSS team consists of principal, assistant principals, counselor, academic interventionists, KTP social worker, and school psychologist. The MTSS team meets weekly to discuss students receiving Tier 2 and Tier 3 academic and/or SEB interventions. Progress is monitored weekly on intervention goals by the instructor who is leading the intervention group. During these meetings, requests for student support referrals are reviewed to determine if students need an additional level of support beyond Tier I in the classroom. Every 6-8 weeks Tier 3 intervention data is reviewed and every 8-10 weeks Tier 2 intervention data is reviewed by the MTSS team.

In the 2022 school year, 41% of students scored proficient/distinguished on KSA in Math. 13% of students with disabilities scored proficient/distinguished on KSA in Math. 46% of students scored proficient/distinguished on KSA in Reading. 11% of students with disabilities scored proficient/distinguished on KSA in Reading. 32% of students receiving free/reduced lunch scored proficient/distinguished on KSA in Math. 38% of students receiving free/reduced lunch scored proficient/distinguished on KSA in Reading. 76% of 3rd grade students scored below proficiency in Math on KSA. 71% of 3rd grade students scored below proficiency in Reading on KSA. 89% of all students in the disability gap group scored below proficiency in Reading on KSA. 87% of all students in the

disability gap group scored below proficiency in Math on KSA. During the 2022-23 school year, our common assessment proficiency data at each grade level is as follows:

**Math:**

| Grade Level    | All Students | IEP    | EL     |
|----------------|--------------|--------|--------|
| K              | 87.50%       | 73.33% | 85.71% |
| 1              | 76.92%       | 61.54% | 75%    |
| 2              | 81.08%       | 58.82% | 87.50% |
| 3              | 73.33%       | 55.56% | 66.67% |
| 4              | 58.33%       | 16.67% | 20%    |
| 5              | 59.78%       | 21.43% | 33.33% |
| School Average | 73.10%       | 46.51% | 61.36% |

**Reading:**

| Grade Level    | All Students | IEP    | EL     |
|----------------|--------------|--------|--------|
| K              | 90.72%       | 93.33% | 85.71% |
| 1              | 87.91%       | 76.92% | 100%   |
| 2              | 77.48%       | 41.18% | 87.50% |
| 3              | 72.64%       | 55.56% | 83.33% |
| 4              | 54.17%       | 11.11% | 20%    |
| 5              | 45.65%       | 14.29% | 0%     |
| School Average | 71.67%       | 46.51% | 65.91% |

Next steps for 2023-24 professional learning opportunities were determined with input from administration, teachers, SBDM members, and district consultants. Results of the teacher PD survey show that 77.1% of teachers want more training in ELA, specifically on Science of Reading and our new ELA resource, Amplify. 40% of staff show that they would like more learning around instructional technology. 37.1% would like more training around deescalation strategies and 25.7% co-teaching strategies. Discussions following instructional walks also contributed to the next steps that are needed to continue growth around the Cycle of Quality Instruction. Beechgrove has been designated as a TSI school. A continued focus will be on effective co-teaching strategies and intentional planning for both general education and special education teachers. Terrace Metrics and student behavior data indicates we have an increasing population of students in need of Mental Health/Social Emotional support. A focus on restorative practices and strategies to assist in this area will be included in the plan. Job-embedded training around these topics will be ongoing throughout the school year through teacher equivalency days, differentiated faculty meetings, and PLCs. All teachers will participate in KCSD PL Offerings 2023-2024. Offerings are available through the NKCES for certified and classified staff as well.

**B. PROFESSIONAL DEVELOPMENT SCHEDULE**

*Identify the activities for the four professional development dates in the approved district calendar:*

### C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT

Identify those systemic professional development needs that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):

| CSIP Goal (Name)                                      | Description of Job-Embedded PD   | Specific Supporting Resources, as needed  |
|---|--|---|
| Proficiency, GAP, Growth, Separate Academic Indicator | Weekly data analysis PLCs focused on both weekly assessment data and common assessment data. Use data to inform next steps in instruction. Job embedded professional development is a part of PLCs as needed based on instructional walk data trends and teacher needs.  | MAP data, Performance Matters to analyze weekly and common assessments, <u>KCSD Professional Learning Landing Page</u> :  |
| Proficiency, GAP, Growth, Separate Academic Indicator | Intentional, ongoing focus on the Cycle of Quality Instruction, including intentional planning. Utilize subs for teams to meet and plan ½ day together to strengthen core instruction and focus on intentional and effective instructional practices with appropriate tasks aligned to standards. Two ½ day planning will be offered per year, one in the first half of the year and one in the second half of the year.   | Monthly Learning Walk data, Assessment Data, Teachers, Administration   |
| Proficiency, GAP, Growth, Separate Academic Indicator | Refine MTSS process and structure. Begin with utilizing teacher equivalency day to review interventions for both reading and math and the progression charts. Begin utilization of Performance Matters for Tier II and Tier III data. Training on this tool will be needed. Analysis of intervention data will occur through the MTSS core team and through Tier II and Tier III data checks to determine if intervention is effective. Data will be shared through PLCs and through the memo. | MTSS Progress Monitoring Data, MAP, KSA, Common Assessments; Admin Team, Teacher Leaders                                  |
| Proficiency, GAP, Growth, Separate Academic Indicator | Ongoing monthly PLC's led by Primary and Intermediate Literacy Leaders to align new comprehensive Amplify curriculum with ELA standards and to provide support and instruction for all teachers with the Science of Reading and the shift in literacy instruction.   | Primary and Intermediate Literacy Leaders; Amplify Curriculum Materials; Science of Reading Research; Performance Matters |
| Proficiency, GAP, Growth,                             | Ongoing professional learning at special education PLC meetings and faculty meetings around  | Administration Team, Special Education Lead   |

|   |   |   |
|---|---|---|
| Separate Academic Indicator                           | effective co-teaching strategies and intentional planning. Intentional learning walks in collaborative settings and provide specific feedback on instruction in the co-teaching setting to provide high quality instruction for all. Co-teaching teams intentionally plan for instruction.  | Teachers, Special Education Consultant, IEP data, weekly and common assessment data, co-teaching lesson plans |
| Proficiency, GAP, Growth, Separate Academic Indicator | Utilize our Instructional Technology Coach (ITC) to provide ongoing training with Schoology, Performance Matters, Pear Deck, IXL, and Boost Reading. These resources will be used to enhance instruction in order to more efficiently get products from all students and to effectively utilize PM to analyze student data. Utilize 4 professional days to model for teachers in the classroom in addition to Teacher Equivalency Days where direct instruction in the use of these tools will be provided. | ITC Coach, Teachers, Admin, District Consultants  |
| Proficiency and Transition Readiness                  | Ongoing analysis and conversations around effectiveness of behavior interventions as they relate to PBIS, mental health, SEB, and overall school safety. Monthly monitoring of data to ensure that students in Tier II and Tier III behavior interventions are making progress. Work with staff on Restorative Practices. Continue work with Trauma-Informed Care and understand school-level implications of students in trauma and Terrace Metrics Resiliency and Risk Factors.                           | Terrace Metrics Data; SEB Data Dashboard; Counselor; Admin Team; District Consultants.                        |

#### **D. IMPLEMENTATION AND IMPACT**

Impact will be assessed throughout the year through the analysis of the following data: KSA, MAP assessments, common assessments, weekly formative assessments, student work, and RIs/Pis.

Intervention data and special education IEP progress data will be analyzed to determine impact as well.

Adjustments to the job-embedded needs and professional learning will be made based on this data, as well as PPR walk data and administrator/teacher discussions on instructional needs. Data will shared monthly during SBDM council meetings.

#### **E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT**

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure | Munis code | Percentage of Your Budget |
|---------------------|------------|---------------------------|
|---------------------|------------|---------------------------|

|  |               |             |
|--|---------------|-------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>-site Professional<br/>Learning)</b> | <b>0120 D</b> | 40%         |
| <b>Certified Extra<br/>Service</b>   | <b>0113</b>   | 5%          |
| <b>Educational<br/>Consultant</b>  | <b>0322</b>   |             |
| <b>Registrations</b>   | <b>0338</b>   | 5%          |
| <b>General<br/>Supplies/Professional<br/>Books</b>   | <b>0610</b>   | 20%         |
| <b>Food</b>  | <b>0616</b>   | 10%         |
| <b>Travel In District</b>  | <b>0581</b>   |             |
| <b>Travel Out of District</b>  | <b>0580</b>   | 20%         |
| <b>Total of your budget</b>  |               | <b>100%</b> |

## Caywood Elementary School

### 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

#### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

Intentional data analysis has been conducted to support the needs assessment process for identifying professional learning. Based on the results of the Caywood PD Staff Survey, 72% of teachers surveyed indicated a need for K-5 literacy work with the new Amplify curriculum. In addition, the teachers also indicated the need for further training and continued work with our school instructional technology resources. Teachers would benefit from professional development offered in the area of technology to enhance instruction and data analysis. The areas of need were found to be with IXL (38%) and Peardeck (33%). The teachers would like to learn more about how to use IXL to assess the standard and adjust instruction based on student responses.

In addition to analyzing the needs of our staff from the survey, the administration and teachers at Caywood Elementary have collaborated to examine student learning results from data including MAP, weekly assessments in reading and math as well as district common assessments in reading and math.

Our school's data analysis is a recursive process that involves systematic PLCs built into our school's culture. Teachers meet weekly in grade level PLCs to review weekly and district common assessment data in the areas of reading and math. This data is entered into Performance Matters which allows us to filter data sets, to see individual student data, and to analyze standards mastered by students, classes, grades, schools, and the district. Professional development is needed to help teachers be confident in both the technology portion of this system as well as the core instructional strategies in reading and math as they align to the state standards and assessments. This year, 91% of kindergarten students scored proficient on reading common assessments and 92% of students scored proficient on math common assessments, 89% of first grade students scored proficient on reading common assessments and 88% of first grade students scored proficient on math common assessments. 70% of 2nd grade students scored proficient on reading common assessments and 80% scored proficient on math common assessments. 69% of third grade students scored proficient on reading common assessments and 71% of third grade students scored proficient on math common assessments. 66% of 4th grade students scored proficient on reading common assessments and 71%

of 4th grade students scored proficient on math common assessments. 66% of 5th grade students scored proficient on reading common assessments and 76% of students scored proficient on math common assessments.

In the 2022-2023 school year, sixty percent (60%) of students scored proficient/ distinguished in Reading on the KSA state assessment in the spring of 2022. Forty- nine percent (49%) of students scored proficient/distinguished in Math on the KSA state assessment in the spring of 2022. Fourteen percent (14%) of students with disabilities scored proficient/ distinguished on KSA Reading. Three percent (3%) of students with disabilities scored proficient/ distinguished on KSA Math. Forty-two percent (42%) of English Language Learners (EL) scored proficient/ distinguished on KSA Reading. Twenty-one percent (21%) of English Language Learners (EL) scored proficient/ distinguished on KSA Math. Forty-three percent (43%) of free/reduced students scored proficient/ distinguished on KSA Math. Fifty-four percent (54%) of free/reduced students scored proficient/distinguished in Reading. Forty percent (40%) of kindergarten students are kindergarten ready according to the Brigance assessment administered in the fall of 2022. For the Fall of 2022 MAP assessment, kindergarten students scored a median RIT percentile of 49 compared to the district median of 68 in the area of math. Kindergarten students scored a median RIT percentile of 49 compared to the district median of 59 in the area of reading. First Grade students scored a median RIT percentile of 66 compared to the district median of 69 in the area of math. First Grade students scored a median RIT percentile of 64 compared to the district median of 66 in the area of reading. Second Grade students scored a median RIT percentile of 63 compared to the district median of 69 in the area of math. Second Grade students scored a median RIT percentile of 47 compared to the district median of 60 in the area of reading. Third Grade students scored a median RIT percentile of 58 compared to the district median of 67 in the area of math. Third Grade students scored a median RIT percentile of 68 compared to the district median of 68 in the area of reading. Fourth grade students scored a median RIT percentile of 58 compared to the district median of 63 in the area of math. Fourth grade students scored a median RIT percentile of 60 compared to the district median of 67 in the area of reading. Fifth Grade students scored a median RIT percentile of 46 compared to the district median of 68 in the area of math. Fifth grade students scored a median RIT percentile of 70 compared to the district median of 68 in the area of reading. According to ACCESS data from Spring of 2022, eighty-two percent (82%) of EL students made growth. Twenty-five percent (25%) grew at least an entire point.

In addition to our school specific professional learning opportunities, all teachers at Caywood Elementary will participate in the [KCS D PL Offerings 2023-2024](#) to provide authentic opportunities for collaboration among teachers around pacing, instructional resources and assessments. We will continue our job-embedded professional learning on the Cycle of Quality Instruction based on learning walk trend data. Our trend data from the 2022-2023 school year indicated the need to focus on appropriate tasks aligned to standards. (Element 1) Due to being a Targeted Support and Improvement (TSI) designated school, we will continue our work with targeted walks and feedback in our collaborative classrooms to focus on co-teaching and intentional lesson planning around standards with general education and special education teachers. We will also continue our weekly PLC process where we utilize weekly and district common assessment data from Performance Matters to make adjustments to instruction in real time for students.

[NKCES Professional Learning Catalog](#)

## B. PROFESSIONAL DEVELOPMENT SCHEDULE

Identify the activities for the four professional development dates in the approved district calendar:

| District Calendar Date               | Flexible Date Request, as applicable        | CSIP Goal | Description of Content of Professional Development                               | Specific Supporting Resources, as needed            |

|   |  |  |
|---|--|--|
| Separate Academic Indicator                                 | and determine progress in all content areas. Weekly PLC's include careful examination of weekly and common assessment data to guide instruction in ELA/Math. We will utilize Performance Matters and our "Overall Instructional Results Tool" to guide our conversation and next steps.  | through Performance Matters LMS; Caywood Overall Results Tool; District Data on PM   |
| Proficiency, Separate Academic Indicator, Growth, Gap Goals | <b><u>Effective Instructional Practices</u></b> Ongoing learning and curriculum design around the <b>Quality Cycle of Instruction</b> and high quality instructional strategies to enhance Tier 1, core instruction including (but not limited to) student products, meaningful collaboration, and appropriate and varying tasks, with emphasis on ELA and Math content and adjusting instruction. Create a "teacher walk" structure where teachers can go and observe other teachers who have strengths in areas of the cycle. Utilize subs to provide opportunities for teachers to observe instructional best practices in other classrooms. In addition, teachers who attend district reading, math, science and social studies sessions throughout the school year will share their learning at monthly faculty meetings (as well as teacher work days) to inform teachers of new learning around standards, instructional resources and assessment data. | Monthly Learning Walk Feedback and District Trend Data; MTSS Progress Monitoring Data, MAP, KSA, Common Assessments; Admin Team, Teacher Leaders |
| Proficiency, Separate Academic Indicator, Growth, Gap Goals | <b><u>Literacy Instructional Alignment with Amplify/Literacy Shift to Science of Reading</u></b> Ongoing <i>monthly</i> PLC's led by Primary and Intermediate Literacy Leaders to align new comprehensive Amplify curriculum with ELA standards and to provide support and instruction for all teachers with the science of Reading and the shift in literacy instruction.   | Primary and Intermediate Literacy Leaders; Amplify Curriculum Materials; Science of Reading Research; Performance Matters                        |
| Proficiency, Separate Academic Indicator, Growth, Gap Goals | <b><u>Technology</u></b> - Utilize our Instructional Technology Coach (ITC) to provide ongoing training with Schoology, Performance Matters, Pear Deck, IXL, and Boost Reading. These resources will be used to enhance instruction in order to more efficiently get products from all students and to effectively utilize PM to analyze student data. Utilize 4 professional days to model for teachers in the classroom in addition to Teacher Equivalency Days where direct instruction in the use of these tools will be provided.   | ITC Coach, Teachers, Admin, District Consultants   |

|  |  |   |
|--|--|---|
| Proficiency, Gap, and Growth Goals         | <b>MTSS</b> - Ongoing analysis of student intervention data to determine student progress. Apply student data to progression charts to determine appropriate placement in interventions and then requirements for referral to Special Education. We will utilize Performance Matters as the tool to manage the data. Sessions at Teacher Equivalency Days will be provided to all staff as we transition to using a new tool. Data analysis of program effectiveness for both academic and SEB interventions will be conducted 3 times per year after MTSS progress checks with the core MTSS team.                            | MTSS Progress Monitoring Data, MAP, KSA, Performance Matters, District Consultants and ITC  |
| Proficiency, Gap                           | <b><u>TSI-Closing Gaps for Students with Disabilities</u></b><br>Ongoing professional learning at Faculty Meetings and Special Education PLC meetings around co-teaching strategies and providing consistent targeted feedback during walks in collaborative and resource settings. Intentional planning with co-teaching teams will continue before and after school weekly.  | Special Ed Lead Teacher, Admin Team, District Sped Consultants, Weekly Common Assessment Data, Co-Teaching Lesson Plans                                   |
| Proficiency and Transition Readiness Goals | <b><u>Restorative Practice and Behavior Intervention</u></b> - Ongoing analysis and conversations around effectiveness of behavior interventions as they relate to PBIS, mental health, SEB, and overall school safety. Monthly monitoring of data to ensure that students in Tier II and Tier III behavior interventions are making progress. Continue work with Trauma-Informed Care and understand school-level implications of students in trauma and Terrace Metrics Resiliency and Risk Factors. Continued work with the book study, <b><u>Restorative Practice and Special Needs</u></b> - will continue with teachers. | Terrace Metrics Data and curriculum; SEB Data Dashboard; Counselor; Admin Team; Restorative Practice Book and resources from District Leadership meetings |
| Proficiency, Growth, Gap, Transition       | <b><u>School Safety</u></b> - Ongoing collaboration and training around increasing overall safety of our building processes and procedures.  | School safety data; Safety Team; SRO  |

## D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year with ongoing weekly, systematic review of data including weekly and common assessments, KSA, MAP, Dibels, RI/PI, Brigance special education IEP progress data, and Tier II and Tier III intervention data as well as qualitative data from observed classroom walks. Teacher feedback and input from professional development reflections, PLC work, teacher leader meetings, and professional growth plans will be used consistently to reflect on implementation and progress of the work we are doing. SBDM Council will review student achievement data and school improvement planning monthly to monitor

overall progress and make recommendations for improvement. Adjustments to job-embedded needs will be made based on student data and trends from instructional trend data.

### E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>–site Professional<br/>Learning)</b> | <b>0120 D</b> | 30%                       |
| <b>Certified Extra<br/>Service</b>   | <b>0113</b>   | 10%                       |
| <b>Educational<br/>Consultant</b>  | <b>0322</b>   |                           |
| <b>Registrations</b>   | <b>0338</b>   | 10%                       |
| <b>General<br/>Supplies/Professional<br/>Books</b>   | <b>0610</b>   | 20%                       |
| <b>Food</b>  | <b>0616</b>   | 10%                       |
| <b>Travel In District</b>  | <b>0581</b>   | 10%                       |
| <b>Travel Out of District</b>  | <b>0580</b>   | 10%                       |
| <b>Total of your budget</b>  |               | <b>100%</b>               |

March 17 Teacher Leader Meeting

Staff Survey- March 21, 2023

SBDM Council Meeting: April 19, 2023

# Fort Wright Elementary School

## 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

## A. DATA COLLECTION/ NEEDS ASSESSMENT

Data is consistently reviewed and analyzed at Fort Wright Elementary. Grade level teachers and administrators look at triangulated data during weekly Professional Learning Communities (PLCs) in the Learning Management System (Performance Matters). This data includes KSA, MAP, weekly formative assessments, kindergarten readiness, summative assessments, software data, and district common assessments. Survey data shows 98.1% of students believe Fort Wright is a caring place and 98% of students believe adults at Fort Wright respect students' differences (gender, culture, race, religion, ability). This school year, 65% of kindergarten students scored Kindergarten Ready on Brigance. Fall MAP data projects 66.96% of third, fourth, and fifth grade students to score Proficient and Distinguished on KSA. In 2022, Fort Wright Elementary met the reading proficiency yearly objective by +12.6%. 11% of current fourth grade students scored novice on KSA Reading and 58% of the free/reduced population scored proficient on KSA Reading. In math, 59% of students scored proficient or distinguished. 17% of the free/reduced population scored novice on KSA Math. In Science, Fort Wright Elementary met the objective of increasing science proficiency by +9.6% as well as the objective of decreasing science novice to zero (+10.2%). In Social Studies, 59% of students scored proficient/distinguished on KSA Social Studies. As far as the Achievement Gap objectives, Fort Wright Elementary did not meet either objective for reading or math proficiency for students with disabilities. Students made progress from 2021 scores but did not meet the math proficiency objective by -1.7% and reading proficiency objective by -9.5%. The KSA data showed a +17% growth in math for students with disabilities and a +12.2% growth in reading with students with disabilities from 2021 to 2022. As of March 2023, 80.28% of students scored at or above benchmark on Math Common Assessments and 83.14% of students scored at or above benchmark on Reading Common Assessments. In addition, as of March 2023, 77.39% of fourth and fifth grade students are Transition Ready. Therefore, Fort Wright Elementary will continue ongoing job embedded professional development in the area of best practices and instructional strategies, review and analysis of triangulated data, deconstruction of standards, and create weekly assessments.

Behavior referral data and attendance data are also considered when creating the PL plan. Along with student data, instructional data is analyzed each month to determine teacher needs to ensure all teachers will have opportunities to enhance instructional practices related to improving the Quality Cycle of Instruction throughout the school year. All grade level teachers at Fort Wright Elementary will participate in the KCSD KCSD 23-24 Professional Learning Plan to provide authentic opportunities for collaboration among teachers around pacing, instructional resources, and assessments. Professional Learning was identified for the 2023-2024 school year through feedback obtained from stakeholders. This took place at PLC meetings, staff surveys and at a SBDM Council meeting.

**B. PROFESSIONAL DEVELOPMENT SCHEDULE**

Identify the activities for the four professional development dates in the approved district calendar:

## D. IMPLEMENTATION AND IMPACT

Impact will be assessed and shared during monthly SBDM Council meetings, weekly PLCs, and the weekly memo.. The SBDM Council and school staff will regularly review and analyze data which includes: KSA, MAP assessments, common assessments, weekly assessments, grade distributions, software data, CBAS Pillar Data, attendance, behavior data, and student work samples. The analysis of this triangulated data as well as instructional feedback from classroom walks will result in adjustments to the job-embedded professional learning.

## E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

## 2023-2024 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

## A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

The needs assessment process for identifying professional development includes analyzing KSA data (2022), KCSD Common Assessments, Certified/Classified Professional Growth Plans, Fall/Spring MAP data, weekly formative assessments, and teacher walk data. Throughout the 2023-24 school year, we plan to continue utilizing this data to help plan our Staff Professional Learning and Professional Learning Community meetings (PLC).

### KSA 2021-22:

-65% of all students were proficient/distinguished in reading, while 35% of students with disabilities scored proficient/distinguished.

### MAP 22-23:

-65% of 3rd, 4th, and 5th grade students are projected to be proficient/distinguished in reading, while 19% of students with disabilities are projected to be proficient/distinguished.

### District Common Assessments:

-82% of all students scored proficient/distinguished in reading, while 64% of students with disabilities score proficient/distinguished.

Our staff is continuously analyzing data from our grade-level data dashboards, which includes all of these assessments as well as weekly common assessments. Behavior and attendance data was also analyzed in PLC Meetings, Teacher Lead Meetings, MTSS Meetings and SBDM Council Meetings.

In analysis of our data we have determined our two areas of focus are in ELA and ELA for students with disabilities. Our PDs will be focused on the Science of Reading, Structured Literacy, and how those areas effectively intertwine with our school wide comprehensive resource for ELA. Furthermore, we will be building staff capacity in putting structures systematically in place for the success of all students, including students with disabilities. Our special education team along with our general education classroom teachers will be working to build a more effective co-teaching and collaboration model for our school community. This is a result of the projection of 19% of students with disabilities scoring proficient or distinguished in the upcoming KSA.

## D. IMPLEMENTATION AND IMPACT

Implementation and impact will be assessed in multiple ways. Impact will be assessed throughout the year with ongoing weekly, systematic review of data including formative and common assessments. Through these data sets we will be reviewing student data and making instructional adjustments as needed. Instructional walk data will be reviewed monthly and on-going training will be provided based on the data and staff need. Additionally, we will be using faculty meetings to analyze student data, walk results and provide job embedded professional learning. Each month, the SBDM council will review and analyze data which includes: common assessments, CBAS Pillar Data, attendance,

behavior data. MAP (2 times per year), KSA (2 times per year), and other data as appropriate.

### E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

### F. DATE(S) THAT OPPORTUNITY FOR INPUT WAS GIVEN BY PERSONS AFFECTED BY THIS PD PLAN: 4/19/23

# Kenton Elementary School

## 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

## A. DATA COLLECTION/ NEEDS ASSESSMENT

The two priorities that are identified for the 2023-2024 school year are to provide necessary support and training for quality Tier I instruction in order for all students to reach proficiency in reading and math. Also, to provide necessary support and training to close the GAP for students with disabilities in the area of Reading and Math. These priorities were identified through many data sets that continue to see the need for PL in these areas.

### 2021-2022 School Year

#### KSA :

-69% of all students were proficient/distinguished in math, while 38% of students with disabilities were proficient/distinguished.

- 68% of all students scored proficient/distinguished in reading, while 35% of students with disabilities scored proficient/distinguished.

#### MAP (fall and spring):

- first and third grade did not make expected growth in reading

- first, third and fifth grade did not make expected growth in math.

#### District common assessments:

- 73% of all students scored proficient/distinguished reading, while 56% of students with disabilities scored proficient/distinguished.

-77% all students scored proficient/distinguished in math, while 55% of students with disabilities scored proficient/distinguished

#### Weekly teacher created assessments:

- 73% of all students K-5 scored proficient/distinguished in reading, while 56% of students with disabilities scored proficient/distinguished.

- 77% of all students K-5 scored proficient/distinguished in math, while 55% of students with disabilities scored proficient/distinguished

### 22-23 School Year

#### MAP (fall 2021-fall 2022):

-second and fourth grade did not make expected growth in math

-second grade did not make expected growth in reading.

District common assessments:

-75% of all students scored proficient/distinguished in reading, while 48% of students with disabilities scored proficient/distinguished.

-81% of all students scored proficient/distinguished in math, while 60% of students with disabilities scored proficient/distinguished.

Weekly teacher created assessments:

-81% of all students scored proficient/distinguished in reading, while 69% of students with disabilities scored proficient/distinguished.

-78% of all students scored proficient/distinguished in math, while 59% of students with disabilities scored proficient/distinguished.

Instructional Feedback: This data includes all grades, special area, intervention teachers and special education teachers.

September: Element 1: 76.9% Reinforce, Element 2: 84.6% reinforce, Element 3 23.1% reinforce, Element 4: 38.5% reinforce

March: Element 1: 90% reinforce, Element 2: 78% reinforce Element 3: 39% reinforce Element 4: 82.9% Reinforce

Behavior referral data and attendance data are also considered when creating the PL plan . Professional Learning was also identified for the 2023-2024 school year through feedback obtained from stake-holders. This took place at PLC meetings, Lead Teacher meetings, staff survey and SBDM Council meetings The plan developed is aligned to the Kenton Elementary CSIP needs assessment which states that on the and has been approved by the SBDM Council.

### D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the school year:

Summative assessments:KSA, MAP Assessments (Fall, Spring)

Formative assessments discussed at PLC common assessments, weekly assessments, assessment tracking for special populations

Monthly at staff meetings and in Memo: attendance data, behavior referrals, and PBIS data

Monthly staff meetings and grade level meetings: Learning walk data trends and student assessment trends

Staff Feedback: After each staff meeting and yearly survey

SBDM Meetings: Data regarding KSA and MAP after assessment results are given to school.

Professional development yearly.

### E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>—site Professional<br/>Learning)</b> | <b>0120 D</b> | <b>60%</b>                |
| <b>Certified Extra<br/>Service</b>   | <b>0113</b>   |                           |
| <b>Educational<br/>Consultant</b>  | <b>0322</b>   |                           |
| <b>Registrations</b>   | <b>0338</b>   | <b>10%</b>                |
| <b>General<br/>Supplies/Professional<br/>Books</b>   | <b>0610</b>   | <b>10%</b>                |
| <b>Food</b>  | <b>0616</b>   | <b>10%</b>                |
| <b>Travel In District</b>  | <b>0581</b>   |                           |
| <b>Travel Out of District</b>  | <b>0580</b>   | <b>10%</b>                |

|                             |             |
|-----------------------------|-------------|
| <b>Total of your budget</b> | <b>100%</b> |
|-----------------------------|-------------|

Staff Meeting 3/23, SBDM 4/13.**

# Piner Elementary School

## 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

The needs assessment process for identifying professional learning involves analyzing MAP data, SEB/Behavior data, teacher surveys, Professional Practices Growth Plans, Common Assessments, weekly assessments, and classroom instructional walks. A priority we value at Piner Elementary is getting into each teacher's classroom each month to observe instruction and provide meaningful feedback. Administrator and teacher discussions following instruction walks contributed to the next steps that are needed to continue to grow. Instructional trend data shows that 89% of the time teachers have an appropriate standards based task, 83% of the time students are required to produce an individual product, 79% of the time teachers are adapting instruction based on student products, and only 24% of the time the teachers are providing opportunities for collaborative work. In Spring of 2022, 61% of students scored proficient or higher in reading on the KSA assessment and 53% scored proficient or higher in math on the KSA assessment. Teachers analyze student mastery of standards on a weekly basis to make continual adjustments in learning experiences and deepen the standard knowledge of each content. Teachers and staff utilize job embedded professional learning time to create and analyze weekly assessments, calibrate scoring of short answer responses and extended responses, as well as a heavy focus on each element of the Cycle of Quality Instruction.

Through PLCs and job-embedded PD, as well as, scheduled and flexible PD during the 2023 school year, next steps for the 2024 school year were determined with input from administration, teachers, SBDM members, and consultants. In addition, administrators and teacher discussions during weekly Professional Learning Communities and Lead Teacher meetings contributed to the next steps that are needed to improve student achievement. Likewise, staff will continue to use the Multi-Tiered System of Support beginning with content specific best practices, standard deconstruction, and creating question banks for weekly assessments in the areas of Math, Reading, Writing, Science, and Social Studies to strengthen Tier I instruction. The goal of strengthening Tier I instruction is to minimize the number of students needing tiered interventions. So far this year 93% of kindergarten students reached proficiency on reading common assessments and 93% of kindergarten students reached proficiency on math common assessments. 85% of first grade students reached proficiency on reading common assessments and 73% of first grade

students reached proficiency on math common assessments. 77% of second grade students reached proficiency on reading common assessments and 76% of second grade students reached proficiency on math common assessments. 82% of third grade students reached proficiency on reading common assessments and 75% of third grade students reached proficiency on math common assessments. 64% of fourth grade students reached proficiency on reading common assessments and 53% of fourth grade students reached proficiency on math common assessments. 65% of fifth grade students reached proficiency on reading common assessments and 71% of fifth grade students reached proficiency on math common assessments. 65% of students with disabilities reached proficiency on reading common assessments and 55% of students with disabilities reached proficiency on math common assessments. In addition, 10.29% of students receive a reading intervention and 10.97% of students receive a math intervention. All grade level teachers at Piner Elementary will participate in the [KCSD PL Offerings 2023-2024](#) to provide authentic opportunities for collaboration among teachers around pacing, instructional resources, and assessments.

With the increased access to assessment data of student groups as well as individuals, structured time to learn and analyze what the data is telling us is an additional need that we have identified to increase student achievement. This data analysis effort will continue to focus on how to identify needs of students to ensure growth for ALL students. Piner's top two priorities for professional development that support continuous improvement include: Increasing proficiency in Reading and Math for all students and students with disabilities. In order to accomplish this goal, teachers and collaborating teachers indicated a need for K-5 literacy work with the new Amplify curriculum. In addition, the teachers also indicated the need for further training and continued work around Tier 2 math and reading resources and utilizing Performance Matters for monitoring MTSS data. Teachers will continue job embedded learning on quality instruction within the Cycle of Instruction (engaging tasks, eliciting responses from all students, collaborative learning, and formatively assessing to adjust instruction), Project Based Learning, and personalized learning to ensure all students reach proficiency.

### C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT

Identify those systemic professional development needs that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):

| CSIP Goal<br>(Name)                               | Description of Job-Embedded PD   | Specific Supporting Resources,<br>as needed   |
|---|--|---|
| Proficiency, Achievement Gap, Growth, SAI, Impact | <u>KCSD Professional Learning Landing Page: <b>Cycle of Quality Instruction:</b></u> Ongoing learning and curriculum design around the Cycle Quality of Instruction and high quality instructional strategies to enhance Tier 1, core instruction including (but not limited to) student products, meaningful collaboration, and appropriate and varying tasks, with emphasis on ELA and Math content and adjusting instruction. Create a "teacher walk" structure where teachers can go and observe other teachers who have strengths in areas of the cycle. Utilize subs to provide opportunities for teachers to observe instructional best practices in other classrooms. In addition, teachers who attend district reading, | KAS; KCSD Instructional Videos; District Consultants; Content Specific Tools and Assignments to Calibrate; Various Technology Tools; KCSD Cycle of Instruction Lesson Plan Template and other Graphic Organizers; Substitutes to support coverage for classroom observations of the Cycle of Instruction; Teacher Leaders |

|   |  |  |
|---|--|--|
|   | math, science and social studies sessions throughout the school year will share their learning at monthly faculty meetings (as well as teacher work days) to inform teachers of new learning around standards, instructional resources and assessment data.  |  |
| Proficiency, Achievement Gap, Growth, SAI | <u>KCSD Professional Learning Landing Page: <b>Weekly PLC Data Analysis</b></u> : Teachers and administrators collaborate weekly to analyze data and determine progress in all content areas. Weekly PLC's include careful examination of weekly and common assessment data to guide instruction in ELA/Math. We will utilize Performance Matters and our Guided Questions to guide our conversation and next steps.   | KAS; KCSD Instructional Videos; District Consultants; Various Technology Tools; Teachers will attend district PD during the summer and share with grade level team/ teachers, PD funds for substitutes to allow for sharing of PD; Weekly and Common Assessment Data viewed through Performance Matters LMS; District Data on PM |
| Proficiency, Achievement Gap, Growth, SAI | <u>KCSD Professional Learning Landing Page: <b>Technology</b></u> : Utilize our Instructional Technology Coach (ITC) to provide ongoing training with Schoology, Performance Matters, Pear Deck, IXL, and Boost Reading. These resources will be used to enhance instruction in order to more efficiently get products from all students and to effectively utilize PM to analyze student data. Utilize 4 professional days to model for teachers in the classroom in addition to Teacher Equivalency Days where direct instruction in the use of these tools will be provided.            | ITC Coach, Teachers, Admin, District Consultants   |
| Proficiency, Achievement Gap, Growth, SAI | <u>KCSD Professional Learning Landing Page: <b>MTSS</b></u> : Ongoing analysis of student intervention data to determine student progress and determining the effectiveness of each intervention. Apply student data to progression charts to determine appropriate placement in interventions and then requirements for referral to Special Education. We will utilize Performance Matters as the tool to manage the data. Sessions at Teacher Equivalency Days will be provided to all staff as we transition to using a new tool and training on new Tier 2 math and reading resources. | MTSS Progress Monitoring Data, MAP, KSA, Performance Matters, District Consultants and ITC   |
| Proficiency, Achievement Gap, Growth, SAI | <u>KCSD Professional Learning Landing Page: <b>Literacy Instructional Alignment with Amplify/Literacy Shift to Science of Reading</b></u> : Ongoing <i>monthly</i> PLC's led by Primary and Intermediate Literacy Leaders to align new comprehensive Amplify curriculum with ELA standards and to provide support and instruction for all teachers with the science of Reading and the shift in literacy instruction.  | Primary and Intermediate Literacy Leaders; Amplify Curriculum Materials; Science of Reading Research; Performance Matters  |
| Proficiency, Achievement Gap, Growth, SAI | <u>KCSD Professional Learning Landing Page: <b>Restorative Practice and Behavior Intervention</b></u> : Ongoing analysis and conversations around effectiveness of behavior interventions as they relate to PBIS, mental health, SEB, and overall school safety. Monthly monitoring of data to ensure that students in Tier II and Tier III behavior interventions are making progress. Continue work with Trauma-Informed Care and understand school-level implications of students in trauma and Terrace Metrics Resiliency and Risk Factors.  | Terrace Metrics Data and curriculum; SEB Data Dashboard; Counselor; Admin Team; Restorative Practice Book and resources from District Leadership meetings  |
| Proficiency, Achievement                  | <u>KCSD Professional Learning Landing Page: <b>Closing Gaps for Students with Disabilities</b></u>   | Special Ed Lead Teacher, Admin Team, District Sped Consultants, Weekly   |

|                  |  |  |
|------------------|--|--|
| Gap, Growth, SAI | Ongoing professional learning at Faculty Meetings and Special Education PLC meetings around co-teaching strategies and providing consistent targeted feedback during walks in collaborative and resource settings. | Common Assessment Data, Co-Teaching Lesson Plans |
|------------------|--|--|

#### D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year with ongoing weekly, systematic review of data including weekly and common assessments, KSA, MAP, Dibels, RI/PI, Brigance special education IEP progress data, and Tier II and Tier III intervention data as well as qualitative data from observed classroom walks. Teacher feedback and input from professional development reflections, PLC work, teacher leader meetings, and professional growth plans will be used consistently to reflect on implementation and progress of the work we are doing. SBDM Council will review student achievement data monthly to monitor overall progress and make recommendations for improvement. Adjustments to job-embedded needs will be made based on student data and trends from instructional trend data.

#### E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes (for both on and off –site Professional Learning)</b> | <b>0120 D</b> | 60%                       |
| <b>Certified Extra Service</b>   | <b>0113</b>   |                           |
| <b>Educational Consultant</b>  | <b>0322</b>   |                           |
| <b>Registrations</b>   | <b>0338</b>   | 10%                       |
| <b>General Supplies/Professional Books</b>                                     | <b>0610</b>   | 10%                       |
| <b>Food</b>  | <b>0616</b>   | 10%                       |
| <b>Travel In District</b>  | <b>0581</b>   |                           |
| <b>Travel Out of District</b>  | <b>0580</b>   | 10%                       |
| <b>Total of your budget</b>  |               | <b>100%</b>               |

PERSONS AFFECTED BY THIS PD PLAN:** Staff Survey 3/19/23, Lead Teacher  
Meeting 3/30/23, SBDM Council Meeting: 4/17/23

## River Ridge Elementary School

### 2023-2024 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

#### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

The administrative team conducts an initial review of state assessment results. Results are then analyzed and summarized with staff members at a staff meeting and/or in grade level teams. Data is used to determine school wide areas of strength and focus. Ongoing data review is a standing agenda item at monthly SBDM council meetings. Teachers, along with administrators, review and discuss student progress data during core instruction and MTSS PLCs every 6 weeks for reading, math, writing, and behavior. Weekly team meetings also focus on grade level formative and summative assessment analysis to determine student mastery towards grade level content and where remediation/reteaching is needed. Intervention and administrative staff meet biweekly to review intervention data as well. Our school level administrative team meets weekly to review and analyze the various data sets to determine school wide trends, needs, and next steps. From 2019 - 2022, our reading proficiency data decreased from 61.5% to 46.1% and is now back up to 55%. Our math data decreased from 58.3% in 2019 to 48.9% in 2021 and current data increased to 59%. A similar trend is evident with our Science and Writing data with overall proficiency being 53.8% and 63.5% (respectively) in 2019, both decreasing to 38.2% (science) and 50.3% (writing) in 2021. Our current proficiency data for Science has increased to 54%, a 15.8% increase from 2021. Our current writing data has increased from 50.3% in 2021 to 61% proficient in 2022, an overall increase of 10.7%. While the data trends point to improvement in all areas, our overall proficiency in reading remains an area for improvement. With only 55% of students scoring proficient/distinguished, just under half of our students in grades 3-5 are reading slightly below or below grade level. Of this percentage, only 21% of our students with disabilities are scoring proficient/distinguished and 33% of our English language learners are considered proficient in reading. Similar discrepancies exist in

overall math performance between our EL students and our students with special needs with only 18% of our students with disabilities scoring proficient/distinguished and 28% of our English language learners. Our current common assessment running average for math is 75.27% for all students and 57.66% for students with IEPs. Our running average in math for our EL student population is 60.65%. For reading, our current common assessment running average is 71.62% for all students. For students with IEPs, the average for reading is 52.25% and for EL, 57.42%. We will continue to put our efforts into both reading and math as areas for improvement and growth.

## B. PROFESSIONAL DEVELOPMENT SCHEDULE

*Identify the activities for the four professional development dates in the approved district calendar:*

**C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT**

Identify those systemic professional development needs that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):

| CSIP Goal<br>(Name)  | Description of Job-Embedded PD   | Specific Supporting Resources,<br>as needed  |
|--|--|--|
| Proficiency,<br>Gap, SAI<br>Goals  | <b><u>Weekly Data Analysis</u></b> Teachers and administrators collaborate in weekly PLCs to analyze formative and summative data and determine progress in reading and math. We will continue to strengthen this work in the 23-24 school year in order to increase proficiency in all areas. Teachers will continue to utilize Performance Matters to analyze formative and summative data weekly (as needed for CAs). Teachers will work together in teams to discuss data and necessary instructional adjustments.   | Teachers, Administrators,<br>District Consultants<br><br>MTSS Progress<br>Monitoring Data, MAP,<br>KSA, Common<br>Assessments, Formative<br>Assessments    |
| Proficiency,<br>Separate<br>Academic<br>Indicator,<br>Growth, Gap<br>Goals | <b><u>Literacy Instructional Alignment with Amplify/Literacy Shift to Science of Reading</u></b> Teachers will participate in monthly collaborative planning sessions around the Amplify ELA curriculum to ensure all students are receiving equitable access to grade level standards and that standards and tasks are aligned. Special education and EL teachers will be included in this collaboration. Monthly PLC's will be led by Literacy Teacher Leaders to align Amplify curriculum with ELA standards and to provide support and instruction for all teachers with the science of Reading and the shift in literacy instruction.   | Primary and Intermediate<br>Literacy Leaders;<br>Amplify Curriculum<br>Materials; Science of<br>Reading Research;<br>Performance Matters                   |
| Proficiency<br>and Gap<br>Goals  | <b><u>Effective Instructional Practices</u></b> Teachers and administrators will continue ongoing learning and curriculum design around the Cycle of Instruction and high quality instructional strategies to enhance tier 1 core instruction in reading and math. Teachers will participate in monthly collaborative planning sessions around the Amplify ELA curriculum to ensure all students are receiving equitable access to grade level standards and that standards and tasks are aligned. Special education and EL teachers will be included in this collaboration. Staff meetings will include sessions presented by teachers with strengths in the cycle of instruction to address our instructional trend needs. | Teachers,<br>Administrators, District<br>Consultants<br><br>MTSS Progress<br>Monitoring Data, MAP,<br>KSA, Common<br>Assessments, Formative<br>Assessments |
| Proficiency,<br>SAI, Growth,<br>Gap Goals                                  | <b><u>Technology</u></b> - Utilize our Instructional Technology Coach to provide ongoing training and tools to support technology implementation in the  | Teachers, Administrators   |

|                                    |   |   |
|------------------------------------|---|---|
|                                    | <p>classroom to enhance student learning and achievement. We will utilize the KCSD created session 'using technology to more efficiently get products/adjust instruction' to help guide this work. Continued work with the SAMR model and 1:1 training will occur. Ongoing support will be provided through monthly staff meetings to further develop our use of Schoology and Performance Matters .</p> <p><a href="#">KCSD Professional Learning Landing Page</a></p>   | <p>MTSS Progress Mon. Data, MAP, KSA, Common Assessments, Formative Assessments</p>                                       |
| Proficiency, Gap, and Growth Goals | <p><b><u>MTSS and Differentiation</u></b> - Ongoing analysis of student intervention data to determine student needs and successes. Both KCSD sessions, Progression Charts and Data Collection &amp; Progress Monitoring, will be used to help guide this work. Intervention staff will continue work with creating intervention screeners and refining our menu of intervention programs to ensure we are using effective programming. Student progress data will be analyzed during MTSS data checks to help determine if programs are being effective. Progress trend data will be analyzed over time (for intervention programs) to assist with making decisions about effective programming. A master schedule will be created and implemented to support all teachers teaching Tier 1, 2, and 3 fluidly and interchanging as dictated by core and intervention data. Teachers will receive support and training over the summer and throughout the school year around this shift. Time during teacher equivalency days will also be dedicated to train teachers on using PM to enter intervention data.</p> | <p>Teachers, Administrators</p> <p>MTSS Progress Monitoring Data, MAP, KSA, Common Assessments, Formative Assessments</p> |
| Proficiency and Growth Goals       | <p><b><u>Behavior Interventions and PBIS</u></b> - Ongoing analysis and conversations around effectiveness of behavior interventions as they relate to PBIS, mental health, SEB, and overall school safety. Both KCSD sessions on Trauma will be used to guide this work in addition to the training we have received on Restorative Practices. Our counselors, teachers, and administrators will collaborate on creating a new school wide behavior tracking system to replace our current (color chart) system to be more aligned with restorative practices. time during Teacher Equivalency days will be spent on training and setting up expectations for the new system.</p>  | <p>Teachers, Administrators</p> <p>MTSS Progress Monitoring Data, MAP, KSA, PBIS/Behavior Data</p>                        |

|                      |  |  |
|----------------------|--|--|
| Gap and Growth Goals | <b>Closing the Achievement Gap</b> - Ongoing analysis of data to determine progress and mastery for our students with special needs and our EL student population. Data analysis around IEP goals and special education progress data will continue to be refined to ensure current special education supports are aligned with needs. Ongoing collaboration between EL staff and homeroom teachers will occur to share effective strategies and strengthen connection between classroom core and EL resource instruction. Training and ongoing support will be provided on effective co-teaching strategies and structures. This will take place through our PLCs, Staff Meetings, and Core Teams. Time during teacher equivalency days will also be dedicated to collaboration between regular education and special education teachers. | Teachers, Administrators, District EL and Special Education Consultants<br><br>MTSS Progress Monitoring Data, MAP, KSA, IEP Progress Data, PSP implementation, ACCESS Data |
|----------------------|--|--|

## D. IMPLEMENTATION AND IMPACT

Ongoing, weekly, systematic review of data including, but not limited to KSA, MAP, CBAS Pillars, Attendance, Behavior, Common Assessments, Special Education progress data, formative assessments, and instructional walks will help determine effectiveness of strategies and needed adjustments. Teacher feedback and input from professional development reflections, PLC work, committee work, team meetings, and professional growth plans will be used to consistently reflect on implementation and progress of the work we are doing. SBDM council will review student achievement data and school improvement planning monthly to monitor overall progress and make recommendations for improvement. Weekly administrative meetings will take place to discuss and reflect upon student data and instructional trends from instructional walks.

## E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes (for both on and off –site Professional Learning)</b> | <b>0120 D</b> | 30%                       |
| <b>Certified Extra Service</b>   | <b>0113</b>   | 5%                        |

|  |             |             |
|--|-------------|-------------|
| <b>Educational Consultant</b>              | <b>0322</b> |             |
| <b>Registrations</b>                       | <b>0338</b> | 15%         |
| <b>General Supplies/Professional Books</b> | <b>0610</b> | 30%         |
| <b>Food</b>                                | <b>0616</b> | 10%         |
| <b>Travel In District</b>                  | <b>0581</b> | 5%          |
| <b>Travel Out of District</b>              | <b>0580</b> | 5%          |
| <b>Total of your budget</b>                |             | <b>100%</b> |

Org - SCH1118 (Org for 7000)

Object – use code from above

Project – 7000, ARP, Title (Use codes from finance)

**F. DATE(S) THAT OPPORTUNITY FOR INPUT WAS GIVEN BY PERSONS AFFECTED BY THIS PD PLAN:**

March 20, 2023 - Team Meetings on PD

Apr 17, 2023 - Team Meetings on PD

Apr 18, 2023 - SBDM Council Meeting

## Ryland Heights Elementary School

### 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

## A. DATA COLLECTION/ NEEDS ASSESSMENT

The needs assessment process for identifying professional learning at Ryland Heights Elementary involves analyzing administrative classroom walk data, teacher input and surveys, Professional Practices Growth Plans, SEB/Behavior data, MTSS intervention progress data and assessment data (Common Assessments, MAP and weekly formative assessments). On the 2021-22 KSA, 63% of students scored proficient in reading and 58% scored proficient in math. Ryland Heights teachers utilize Performance Matters to analyze student mastery of standards on a weekly basis on weekly formative assessments, common assessments, MAP data and intervention data. Teachers and staff consistently participate in differentiated job-embedded professional development throughout the school year and are provided the opportunity to give input into their professional development opportunities every month.

Through PLCs and job-embedded PD, as well as, scheduled and flexible PD during the 2022-23 school year, next steps for the 2023-24 school year were determined with input from administration, teachers, SBDM members, and district consultants. Administrators and teacher discussions following weekly PLCs also contributed to the next steps that are needed to improve student achievement. Primary areas of focus for professional development in 2023-24 will be improving and strengthening effective reading and math strategies and usage of resources across all tiers. Ryland Heights staff will continue to use the Multi-Tiered System of Support beginning with content specific best practices, standard deconstruction, and creating question banks for weekly assessments in the areas of Math, Reading, Writing, Science, and Social Studies to strengthen Tier I instruction. The goal of strengthening Tier I instruction is to minimize the number of students needing layered interventions. At this time, 14.95% of students receive a reading intervention and 12.65% of students receive a math intervention. Teachers need continued professional learning to increase the effectiveness of all tiered interventions ensuring the interventions are implemented with fidelity and appropriate data probes used to track data. Teacher surveys indicated that they would like additional opportunities for development in the areas of incorporating effective interventions, increased comprehension and assessment of the standards and also additional strategies for teaching writing. In addition, special educators will continue improving knowledge of specially designed instruction to improve proficiency of students with disabilities. On the 2021-22 KSA, 34% of students with disabilities scored proficient in reading and 26% of students with disabilities scored proficient in math.

Teachers will continue job embedded learning on quality instruction within the Cycle of Instruction (engaging tasks, eliciting responses from all students, collaborative learning, and formatively assessing to adjust instruction), and personalized learning to ensure all students reach proficiency. While we have seen improvement in a majority of student populations, we want to ensure all teachers will have opportunities to enhance instructional practices related to improving the Quality Cycle of Instruction

throughout the school year. The plan developed is aligned to the Ryland Heights Elementary CSIP and has been approved by the SBDM Council.

## B. PROFESSIONAL DEVELOPMENT SCHEDULE

Identify the activities for the four professional development dates in the approved district calendar:

This includes matching the intervention to the progress goal being monitored.</p> | <p>Administrative team, SEB data from MTSS &amp; Terrace Metrics, Behavior Referrals, School Counselor, District consultants</p> <p>SRO &amp; Administration</p> <p>☰ KCSD Profession...</p> |

#### **D. IMPLEMENTATION AND IMPACT**

Impact will be assessed throughout the school year:

Summative assessments:KSA, MAP Assessments (Fall, Spring)

Formative assessments discussed at PLC, common assessments, assessment tracking for special populations

Monthly at staff meetings and in Memo: attendance data, behavior referrals, and PBIS data

Monthly staff meetings and grade level meetings: Learning walk data trends and student assessment trends

Staff Feedback: After each staff meeting and yearly survey

SBDM Meetings: Data regarding KSA and MAP after assessment results are given to school.

Professional development yearly.

**E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT**

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>–site Professional<br/>Learning)</b> | <b>0120 D</b> | 60%                       |

| <b>Travel Out of District</b>  | <b>0580</b>   | 10%                       |
| <b>Total of your budget</b>  |               | <b>100%</b>               |

Please use the following coding structure for PD funds:

Org - SCH1118 (Org for 7000)

Object – use code from above

Project – 7000, ARP, Title (Use codes from finance)

**F. DATE(S) THAT OPPORTUNITY FOR INPUT WAS GIVEN BY  
PERSONS AFFECTED BY THIS PD PLAN: Staff Survey 3/13, PLC 3/15,  
Lead Teacher Meeting 3/23, SBDM 4/17.**

## Taylor Mill Elementary School

### 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

#### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

Data analyzed that informed the professional development needs include KSA data, MAP, Brigance data, Dibels data, RI/PI/Reading Foundational data, instructional walkthrough observations, and Impact Survey results. When looking at our Common Assessment data as a school, 73% of students were meeting benchmark in Math while 76% of students were meeting the benchmark in Reading. As of March, 65% of 5th grade students had met the transition readiness criteria as set by the district of 100% of students being transition ready. The 2021-22 KSA data reflected both math and reading as an area of growth with an average reading proficiency of 53% and average math proficiency of 52%. On the Spring 2023 MAP assessment, 62% of students showed growth in Math meeting their projected growth from Fall of 2022. On the Spring 2023 MAP assessment, 66% of students showed growth in Reading meeting their projected growth from Fall of 2022. When looking at achievement in Spring MAP, 59% of students were at the 60%tile and above in Math, while 61% of students were at the 60%tile and above in Reading. This analysis is a collaborative process throughout the school year and led to continual adjustments in job-embedded needs..Through PLCs and job-embedded PD, as well as scheduled and flexible PD during the 22-23 school year, next steps for 23-24 were determined with input from administration, teachers, PD task group, SBDM members, and district consultants. Weekly analysis of common formative assessment, district common assessment data, and MTSS progress monitoring data allowed us to identify areas of teacher needs in terms of specific instructional strategies. Our team has reflected on the data and has placed Reading as a priority for professional development needs in all grade levels. With the purchase of a new

reading core curriculum, teachers will need learning time together to learn the program, resources, and assessment. We continue our focus on data analysis and informing both core instruction as well as interventions necessary to support student success.

## B. PROFESSIONAL DEVELOPMENT SCHEDULE

Identify the activities for the four professional development dates in the approved district calendar:

| <b>District Calendar Date</b>           | <b>Flexible Date Request, as applicable</b>  | <b>CSIP Goal</b>                      | <b>Description of Content of Professional Development</b>  | <b>Specific Supporting Resources, as needed</b>  |

#### **D. IMPLEMENTATION AND IMPACT**

We will monitor the implementation and impact based upon several data points including staff surveys, learning walks, review of student work, and staff PD reflections. We will also analyze student data included above to determine impact. Staff members receive updates on student data through weekly newsletters, monthly IOU staff meetings, and weekly PLC meetings as data is available in real time. Updates will be provided to

SBDM monthly. All staff will complete an individual PD plan by June 1, 2023 which will be reviewed with a school administrator.

### **E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT**

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>–site Professional<br/>Learning)</b> | <b>0120 D</b> | <b>10%</b>                |
| <b>Certified Extra<br/>Service</b>   | <b>0113</b>   |                           |
| <b>Educational<br/>Consultant</b>  | <b>0322</b>   | <b>15%</b>                |
| <b>Registrations</b>   | <b>0338</b>   | <b>20%</b>                |
| <b>General<br/>Supplies/Professional<br/>Books</b>   | <b>0610</b>   | <b>25%</b>                |
| <b>Food</b>  | <b>0616</b>   | <b>10%</b>                |
| <b>Travel In District</b>  | <b>0581</b>   |                           |
| <b>Travel Out of District</b>  | <b>0580</b>   | <b>20%</b>                |
| <b>Total of your budget</b>  |               | <b>100%</b>               |

Please use the following coding structure for PD funds:

Org - SCH1118 (Org for 7000)

Object – use code from above

Project – 7000, ARP, Title (Use codes from finance)

### **F. DATE(S) THAT OPPORTUNITY FOR INPUT WAS GIVEN BY PERSONS AFFECTED BY THIS PD PLAN: Teacher Voice March 15 and 22, 2023, SBDM Meeting April 17. 2023**

## White's Tower Elementary School

### 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

#### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

White's Tower Elementary analyzes the following data to determine professional development needs: KSA, Reading Inventory, Formative Assessments, Common Assessments, Intervention data, behavior referral data, attendance data and MAP data that was received throughout the school year led to continual adjustments in job-embedded needs. White's Tower Elementary uses this data throughout the school year to plan for required Professional Development (PD) hours and job-embedded PD. Professional Learning (PD) was also identified for the 2022-2023 school year through feedback obtained from stake-holders. This took place at PLC meetings, Lead Teacher meetings and SBDM Council meetings. During PLC meetings, we discuss our weekly Friday assessment data as well as district common assessment data. We review individual student progress towards mastery of a standard and implement a plan to attack the deficiencies. Sometimes that looks like re-teaching, flashbacks and flexible grouping for specific skills that are cause for concern. Also, during PLCs, we identify trends seen through our PPR Walks and design specific professional development to address any deficiencies or to highlight individual teacher instruction.

A concerning trend at WTE is Students w/ IEPs, however we are scoring higher than the district and state in reading and math, there's still room for improvement. Comparing 2021 data to 2022 data it breaks down like this: Reading 34.3% P/D to 22% P/D (-12.3%), Math 22.9% P/D to 27% P/D (+4.1%) and Science 40.7% P/D to 34% P/D (-6.7%). From the 2020 to 2021 school year we saw an increase of 29 total behavior events. Current Academic State according to KSA 2021-2022 scores by P/D percentages: Math 61%, Reading 64% (Reading & Math Indicator Rating=81.7 Very High Blue). Science 34%, Social Studies 44% and Combined Writing 50% ( Science, SS & Writing Indicator Rating=67.8 High Blue). Quality of school climate and Safety Indicator Rating=81.5 High Green. According to the Kentucky Impact Survey, the highest rating was Managing Student Behavior at 90%.

**B. PROFESSIONAL DEVELOPMENT SCHEDULE**

*Identify the activities for the four professional development dates in the approved district calendar:*

| <b>District Calendar Date</b>           | <b>Flexible Date Request, as applicable</b>  | <b>CSIP Goal</b>  | <b>Description of Content of Professional Development</b>                     | <b>Specific Supporting Resources, as needed</b> |

Strategies will be presented at PLCs and staff meetings.<br><br>Certified substitutes will be hired for teachers to collaboratively plan and observe colleagues.  | Administrative Team,<br>Approved evaluation documents, Cycle of quality instruction, instructional videos |

#### D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year through the following data being analyzed: KSA, MAP assessments, SRI & SPI data, Friday assessments, DIBELS, instructional walk trend data and student work. Adjustments to the job-embedded needs will be made based on this data as

well as using instructional trend data findings and administrator/teacher discussions on instructional needs. The SBDM committee will be updated on I & I checks at monthly meetings. All staff are updated on data findings, when applicable, during PLCs and staff meetings.

## 23-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

***Further analysis of Common Assessment data and MAP data that was received throughout the school year led to continual adjustments in job-embedded needs. Our overall reading Common Assessment data is as follows:***

- ***4th Grade Math Overall PD: 69% P/D (SPED 43%)***
- ***5th Grade Math Overall PD: 84% P/D (SPED 66%)***
- ***6th Grade Reading Overall PD: 44% P/D (SPED 26%)***
- ***6th Grade Math Overall PD: 57% P/D (SPED 30%)***
- ***7th Grade Reading Overall PD: 39% P/D (SPED 10%)***
- ***7th Grade Math Overall PD: 38% P/D (SPED 7%)***
- ***8th Grade Reading Overall PD: 30% P/D (SPED 5%)***
- ***8th Grade Math Overall PD: 16% P/D (SPED 21%)***

***Spring MAP data indicates a further need to focus on the development of effective Tier I instructional strategies and tightening of the PLC process:***

- ***Overall Reading PD: 52%***
- ***Overall Math PD: 37%***

***Behavior Data Collected throughout the 2021-2022 School year also indicated a need for more intensive focus on Tier I Classroom Management strategies and behavior supports:***

- ***Total Behavior Referrals: 774***
- ***Total Number of Suspensions: 346***
- ***Total Number of Out of School Suspensions: 130***
- ***Total Number of In School Suspensions: 216***
- ***Total Number of Discipline Referrals FRAM: 542 (70% of total)***

**B. PROFESSIONAL DEVELOPMENT SCHEDULE**

Identify the activities for the four professional development dates in the approved district calendar:

| <b>District Calendar Date</b>             | <b>Flexible Date Request, as applicable</b>   | <b>CSIP Goal</b>   | <b>Description of Content of Professional Development</b>  | <b>Specific Supporting Resources, as needed</b>  |
|---|---|--|--|--|
| PD Day # 1 - August 15, 2023<br>6 hours   | PD Day #1- July 31st, 2023<br>6 hours   | Goal 1<br>Proficiency, 2<br>Gap, 3<br>Growth, 4, 8,<br>Impact Survey | Teachers will participate in a Solution Tree training reviewing how Common Formative/Summative data impacts Tier I Instruction to close achievement gaps in real-time                            | Solution Tree Consultant and materials: \$6500<br>SBDM 7000  |

|   |   |  |

## D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year through the following data being analyzed: KSA, MAP assessments, MTSS data in conjunction with the KCSD MTSS Windows for Progress Review, common assessments, grade distributions, student work, and IEP progress data. Adjustments to the job-embedded needs will be made based on this data as well as analyzing shared walk data to identify both individual teacher needs as well as whole school trends to meet the needs of teachers. Grade level content teams will review formative/summative data during collaborative team time to make instructional adjustments on a weekly basis that will maximize student achievement. Teams will also recursively review data in relation to students with disabilities and adjust Tier I instruction and IEP plans to ensure on a monthly basis concurrent with midterms and report cards. SEB data will be reviewed by the Leadership Team on a monthly basis and grade level/student data will be disseminated to teams to make adjustments to PBIS/SEL lessons as well as MTSS referrals.

**E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT**

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |

# Turkey Foot Middle School School

## 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

- Using our MTSS process, we regularly review Tier I, II and III progress data of our students, to include Common Assessment data, MAP data, IEP data, KPREP data, RTI progress data, grades and attendance to pinpoint overall student achievement and individual student needs. Additionally, the school Leadership Team routinely reviewed data from informal learning walks, formal observations, and teacher needs surveyed to identify overall program strengths and needs, as well as those of individual teachers. Based on the data listed below it was determined that we need to continue work with standards and quality instruction to include but not limited to resource and collaborative instruction. The behavior below also shows a discrepancy in our behavior data for minority and special education students.

42.6% of All TFMS students reached proficiency on Math Common Assessments  
 8% of Special Education students reached proficiency on Math Common Assessments  
 10% of EL students reached proficiency on Math Common Assessments  
 47%% of All TFMS students reached proficiency on ELA Common Assessments  
 9% of Special Education students reached proficiency on ELA Common Assessment  
 7% of EL students reached proficiency on ELA Common Assessments  
 40% of All TFMS students are projected to reach proficiency on Math KSA  
 7.6% of Special Education students are projected to reach proficiency on Math KSA  
 4.6% of EL students are projected to reach proficiency on Math KSA  
 62% of All TFMS students are projected to reach proficiency on ELA KSA  
 15.6% of Special Education students are projected to reach proficiency on ELA KSA  
 6% of EL students are projected to reached proficiency on ELA KSA  
 29.88% of all ODR are made up by 6th grade students  
 28.11% of all ODR are made up by 7th grade students

42.01% of all ODR are made up by 8th grade students, there has been a steady decline from 48% to now 36%

28.75% of referrals are Sped, This had decreased from 45% to now 20%

40.95% of referrals are Minority, the month range is from 45% to 36%

### Math Common Assessment Running Average

|     | September | October | November | December | January | February | March |

**C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT**

*Identify those systemic professional development activities that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):*

| <i>CSIP Goal<br/>(Name)</i>                                    | <i>Description of Job-Embedded PD</i>  | <i>Specific Supporting Resources,<br/>as needed</i> |
|--|--|---|
| KAS<br><br>Combined<br>Proficiency/<br><br>Achievement<br>Gaps | Cycle of Quality Instruction: To ensure that staff have an understanding of the specifics within the Cycle of Quality Instruction to better assist with Tier 1 Instruction. This will be provided monthly at job embedded training.  | Cycle of Instruction<br>KCSD Landing Page           |
| Combined<br>Proficiency/<br><br>Achievement<br>Gaps            | MTSS: Core Expectations of Quality Instruction, MTSS, alignment of assessments and curriculum to standards, Common Assessment Data Review  | MTSS/Data Dashboard<br>KCSD Landing Page            |
| Combined<br>Proficiency/<br><br>Achievement<br>Gaps            | At weekly Admin meetings and Monthly Team lead meetings  | Data Dashboard, School Plan                         |
| School<br>Safety/PBIS/<br><br>Trauma<br>Informed Care          | SEB/Trauma Informed Care/Terrace Metrics/D.E.I   | PBIS/SEB Data, Make It Plain,                       |
| Combined<br>Proficiency/<br><br>Achievement<br>Gaps            | Special Education Specifics: IEP Training, Goals, SDI. In order to better address the gaps with our special education and EL students we will work with Make it Plain during our equivalency days and through job embedded training to create an environment that leads to equality for all. In addition to this we will build on the work to incorporate team teaching in our collaborative classrooms. | Consultants, NKCES                                  |
| Combined<br>Proficiency/<br><br>Achievement<br>Gaps            | Formative & Common Assessment Data analysis through Performance Matters in a recursive process through PLC's. Teachers will have the opportunity to meet weekly on Wednesdays with their content cohorts to analyze common formative   | Performance Matters,                                |

|  |  |  |
|--|--|--|
|  | assessments. Using this data to drive instruction will lead to |  |
|--|--|--|

## D. IMPLEMENTATION AND IMPACT

IEP progress monitoring data will be reviewed by a team of teachers monthly. During this meeting the team will look at the students grades, IEP progress along with their common assessment scores. At the weekly administrative meeting, each administrator will analyze schedules, IEP data and progress reports for two students on the caseload of the teacher they chair ARC's for. This will allow for checks and balances to support our students with disabilities.

Weekly teachers will have the opportunity to analyze common formative, district common assessment formative with their grade level content teams. This will allow for planning and instructional decisions to be made in real time to best support both regular education and general education students.

Once a month the team lead will dive into data for their team of students with their colleagues. This data will include but not be limited to, MTSS Tier II and III data checks, MAP assessments, office discipline referrals and grades.

## E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes (for both on and off –site Professional Learning)</b> | <b>0120 D</b> | <i>(11%) - \$1400.00</i>  |
| <b>Certified Extra Service</b>   | <b>0113</b>   | <i>(8%)- \$1000.00</i>    |
| <b>Educational Consultant</b>  | <b>0322</b>   | <i>(16%)-\$2000.00.</i>   |
| <b>Registrations</b>   | <b>0338</b>   | <i>(8%) - \$1000.00</i>   |
| <b>General Supplies/Professional Books</b>                                     | <b>0610</b>   | <i>(.8%)- \$100.00</i>    |
| <b>Food</b>  | <b>0616</b>   | <i>(6%)-\$800.00</i>      |
| <b>Travel In District</b>  | <b>0581</b>   | <i>(1%)-\$200.00</i>      |

|                               |             |                        |
|-------------------------------|-------------|------------------------|
| <b>Travel Out of District</b> | <b>0580</b> | <i>(48%)-\$6000.00</i> |

# **Twenhofel School**

## **2023-24 Professional Development Summary**

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### **CBAS Pillars**

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### **A. DATA COLLECTION/ NEEDS ASSESSMENT**

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

**Further analysis of Common Assessment data and MAP data that was received throughout the school year led to continual adjustments in job-embedded needs. Our overall reading Common Assessment data is as follows:**

- **6th Grade Reading Overall PD: 46.75 (Current 22/23- 54)**
- **6th Grade Math Overall PD: 59.83 (Current 22/23-73)**
- **7th Grade Reading Overall PD: 40.60 (Current 22/23-53)**
- **7th Grade Math Overall PD: 31.00 (Current 22/23-44)**
- **8th Grade Reading Overall PD: 41.25 (Current 22/23-51)**
- **8th Grade Math Overall PD: 26.00 (Current 22/23-19)**

**Through PLC's and job-embedded PD, as well as, scheduled and flexible PD during the 2022-2023 school year, next steps for 2023-2024 were determined with input from administration, teachers, SBDM members, and consultants. Administrators and teacher discussions following PPR walks also contributed to the next steps that are needed to continue growth. For Tier II and Tier III interventions, Math 180 and R180 teachers will continue their professional development to increase effectiveness with these students. Specifically TMS will review and adjust instructional needs based on the following data: Common Assessments using the Performance Matters analysis tool, KSA data, MAP assessment data, MTSS data within the KCSD MTSS Windows for Progress Review, Behavior Data, grade distributions, and IEP progress data.**

**B. PROFESSIONAL DEVELOPMENT SCHEDULE**

## D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year through the following data being analyzed: common assessment data, KAS, MAP assessments, common assessments, grade distributions, school discipline data, student work, and SMI's/SRIs. MTSS Tier II and Tier III data will be reviewed to measure their impact. Adjustments to the job-embedded needs will be made based on data as well as classroom PPR and administrator/teacher discussions on instructional needs.

Specifically TMS will work on the following goals: Impact will be assessed throughout the year through a continuous review and analysis of data during weekly PLCs, Tier II and III MTSS progress review meetings within the scheduled windows, monthly meetings, and bimonthly special ed progress review meetings. Data reviewed shall include: Common Assessments using the Performance Matters analysis tool, KSA data, MAP assessment data, MTSS data in conjunction with the KCSD MTSS Windows for Progress Review, Behavior Data, grade distributions, and IEP progress data.

## E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |

## 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

*Throughout the year, we have conducted classroom walks and observations as an administrative team to determine monthly instructional trends in all classes. We have also restructured our data analysis process to include weekly opportunities for teachers to work in ILTs (Instructional Learning Teams) to analyze weekly common formative assessments and district Common Assessments to adjust instruction in real-time according to needs. We have also restructured and redesigned our PAWS (RTI) time to include opportunities for students to receive more needs-based interventions in all core content areas. We have also surveyed our teachers throughout the year to gauge needs and get a better understanding of professional development supports that teacher need that are focused on these efforts.*

*More specifically, further analysis of Common Assessment data and MAP data that was received throughout the school year led to continual adjustments in job-embedded needs. Our overall reading and math Common Assessment data is as follows:*

- 6th Grade Reading Overall PD: 47% P/D (SPED 17%)
- 6th Grade Math Overall PD: 61% P/D (SPED 28%)
- 7th Grade Reading Overall PD: 37% P/D (SPED 13.6%)
- 7th Grade Math Overall PD: 47% P/D (SPED 17.8%)
- 8th Grade Reading Overall PD: 48% P/D (SPED 12%)
- 8th Grade Math Overall PD: 23% P/D (SPED 5.6%)

*Spring MAP data indicates a further need to focus on the development of effective Tier I instructional strategies and tightening of the PLC process:*

- **Overall Reading PD: 59.1% (Fall)**
- **Overall Math PD: 40.8% (Fall)**

*Behavior Data Collected throughout the 2022-2023 School year also indicated a need for more intensive focus on Tier I Classroom Management strategies and behavior supports:*

- **Total Behavior Referrals: 685**
- **Total Number of Suspensions: 285**
- **Total Number of Out of School Suspensions: 184 with 91 students**
- **Total Number of In School Suspensions: 101 with 56 students**
- **Total Number of Discipline Referrals FRAM: 121 (17.7% of total)**
- **Total Number of Discipline Referrals Special Ed.: 202 (29.5% of total)**

*What this needs assessment process for identifying professional development, as well as analysis of the data above shows us is that we need to further address our students' overall reading and math growth, with continued focus on reading and math interventions for those scoring in Novice and Apprentice in these subjects. We also need to guide teachers in how to regularly analyze common assessment data to collaborate and make real-time adjustments in instruction so that all are completing this task on a regular basis and all at high levels. Additionally, we need to provide professional development in the creation and implementation of appropriate RTI responses to that data, and strengthening instruction as related to parts 2 & 3 of the Cycle of Quality Instruction (giving students meaningful opportunities to collaborate with one another, and eliciting responses from all students to assess learning/adjust instruction). Lastly, we need to address the rise in suspension and referral rates through the use of a behavior interventionist and related strategies.*

## **PROFESSIONAL DEVELOPMENT SCHEDULE**

| Goal 3:<br>Achievement Gap<br><br>Goal 4:<br>English Learner   |  | Assignments to Calibrate;<br>Various Technology Tools;<br>KCSD Cycle of Instruction<br>Lesson Plan Template and<br>other Graphic Organizers |
| Goal 1:<br>Proficiency Goal<br>for Math and<br>Reading<br><br>Goal 2: Separate<br>Academic<br>Indicator<br><br>Goal 3:<br>Achievement<br>Gap | Teachers will practice their growing understanding of the implications of the KCSD MTSS Progression Charts, apply student data to the Progression Charts to determine placement in interventions, and understand data requirements for referral to Special Education. They will continue to self-assess using the MTSS rubric. | MTSS: Progression Charts<br><u>Full session with embedded links to materials</u>  |
|  | Teachers will meet monthly in SEB Planning Pd. Meetings to receive additional training and support to enhance the MTSS structures at WD.   | Principal/admin team,<br>Behavior Interventionist   |
| Goal 1:<br>Proficiency Goal<br>for Math and<br>Reading<br><br>Goal 2: Separate<br>Academic<br>Indicator<br><br>Goal 3:<br>Achievement<br>Gap | Teachers will receive additional training and support in monthly SEB Planning Pd. Meetings to enhance Restorative Practices approaches at all levels within the SEB/MTSS systems of support.   | Principal/admin team,<br>Behavior Interventionist   |

## D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year through a recursive review and analysis of data during weekly Planning Period Meetings (ex. 2 Tuesdays per month), Administrative Team Meetings (ex. every Monday), Counselor Meetings (ex. every Thursday) that will alternate focus among academics and SEB topics, weekly RBTL meetings, and Tier II and III progress review meetings. Additionally, PLC/department meetings will be held one weekday after school per month, and Special Education Progress review meetings will be held bi-weekly after school. Specific data reviewed shall include: KSA data, IEP Progress data, MAP assessment data, CBAS Pillars, MTSS data in conjunction with the KCSD MTSS Windows for Progress Review, Behavior Data, & Common Assessments using the Performance Matters analysis tool. Additionally, weekly failing grade reports will be sent to all faculty members one time per week. Instructional Trend Data will be reviewed in weekly Leadership Team meetings, based upon formal observations and classroom walk throughs, during which samples of feedback given will be reviewed and discussed for calibration, and

ongoing reflections on student work and instructional trend data will drive future work and help determine next steps.

Adjustments to job-embedded professional development will be made based on this data as well as instructional data trends as a leadership team to identify both individual teacher needs as well as whole-school trends. These will be communicated through weekly newsletters, at faculty meetings, and during PLC & Planning Period meetings. Teacher feedback and input during ILTs and following professional development sessions will be used to analyze and reflect upon the effectiveness of our implementation, and will provide input for adjustments needed as well. The SBDM Council will review student progress as a standing item on our monthly agendas to monitor progress and make recommendations for improvement.

#### **E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT**

*Indicate approximate percentages for each of the following general expense categories:*

| <b>Type of Expenditure</b>   | <b>Munis code</b>          | <b>Percentage of Your Budget</b> |
|--|----------------------------|----------------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>–site Professional<br/>Learning)</b> | <b>0801118-0120 D-7000</b> | <b>25%</b>                       |

Project – 7000, ESSER II, ARP (Use codes from finance)

**F. DATE(S) THAT OPPORTUNITY FOR INPUT WAS GIVEN BY PERSONS AFFECTED BY THIS PD PLAN:**

- **March 29, 2023 - Staff PD Survey**
- **April 13, 2023 - Faculty Meeting**
- **April 19, 2023 - SBDM Meeting**

# Dixie Heights High School

## 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

School Growth Areas Based On Data:

#### Data Points:

- 1) *In our PPR Instructional walks we only observed teachers adapting instruction (Element 4) 18% of the time.*
- 2) *28% of all student products observed to provide actionable data to guide instruction*
- 3) *On average less than 40% of students are reaching English benchmarks on distinct common assessments.*
- 4) *On average less than 50% of students are reaching Math benchmarks on district common assessments.*

#### Response to data:

- 1) Improve student tasks, Element 1 of the Cycle of Quality Instruction (PPR Walk Data)
  - a) Rigor and connection to standard
- 2) Improve student products, Element 2, of the Cycle Quality Instruction (PPR Walk Data)
  - a) Common Assessments
  - b) Technology implementation
  - c) Standards-Based
  - d)

**Overall Professional Development Goals:**

1. Improve upon ILTs structure and alignment
2. Increase real-time actionable data with improved emphasis on KSCD common assessments and weekly common formative assessments.
3. Use ILT assessment data to utilize PRIDE workshops to meet specific needs of all students. Our intervention time within our school day has shown positive trends. Within examination of student data to drive instruction, we want to improve our Tier 1 instruction and our Tier 2 interventions to improve student engagement according to the Cycle of Quality Instruction.

**B. PROFESSIONAL DEVELOPMENT SCHEDULE**

*Identify the activities for the four professional development dates in the approved district calendar:*

| <b>District Calendar Date</b>             | <b>Flexible Date Request, as applicable</b>   | <b>CSIP Goal</b>                                   | <b>Description of Content of Professional Development</b>  | <b>Specific Supporting Resources, as needed</b>   |
|---|---|--|--|---|
| PD Day # 1 - August 15, 2023<br>6 hours   | 8/15  | Achievement Gap, Transition readiness, proficiency | <b><u>Cycle of Quality Instruction:</u></b><br>Element 1 - <ul style="list-style-type: none"> <li>• Development w/ Consultants 1.5 hrs</li> <li>• ILT Work Time 1.5 hrs</li> </ul> Element 2 - <ul style="list-style-type: none"> <li>• Development w/ Consultants 1.5 hrs</li> <li>• ILT Work Time 1.5 hrs</li> </ul>   | Admin team will work with district consultants to develop a rich work session to be presented by administration and department heads. |
| PD Day # 2 - November 22, 2023<br>6 hours | <i>Varies by department</i><br><b>Math:</b> 6/1, 8/7, 10/19, 10/25, 11/1, 1/23, 1/30, 2/6<br><b>English:</b> 6/1, 10/24, 10/26, 10/30, 11/2, 2/6, 2/8, 2/13, 2/15<br><b>Soc:</b> 6/6, 6/7, 6/8, 10/11, 2/7<br><b>Science:</b> 8/7<br><b>SPED:</b> 6/12, 6/14, 6/19, 6/21, 7/12, 7/17, 7/19, 7/24, 7/25, 7/27, 8/8, 9/29, 10/6 | Achievement Gap, Transition readiness, proficiency | <b><u>Curriculum Enhancement</u></b> <ul style="list-style-type: none"> <li>• English</li> <li>• Math</li> <li>• District Offerings</li> <li>• Alternative Offerings (prior approval) <ul style="list-style-type: none"> <li>◦ Conference. Class, Etc.</li> </ul> </li> <li>• School Offerings Classroom Management (Optional 3hrs)</li> <li>• Backwards Design (Optional 3hrs)</li> </ul> | New Curriculum resources.   |

|   |  |  |  |                                       |
|---|--|--|--|---------------------------------------|
|   | <b>School Offering:</b><br>8/8, 8/9  |  |  |                                       |
| 1   |  |  |  |                                       |
| PD Day #3 -<br>February 19, 2024<br>6 hours | <b>Tech:</b> 6/6, 6/7, 6/8, 6/9, 8/8, 7/27, 8/1, 8/7, 11/8, 11/9, 11/15, 1/10, 1/18<br>Gap: 8/11 | Achievement Gap, Transition readiness, proficiency | <b>Technology: Choose 2</b> <ul style="list-style-type: none"> <li>Schoology <ul style="list-style-type: none"> <li>Foundations or Intermediate</li> </ul> </li> <li>Performance Matters <ul style="list-style-type: none"> <li>Foundations or Intermediate</li> </ul> </li> <li>1:1 Integrations<br/><b>(Required for ALL teachers if not already taken)</b></li> <li>Tech Tools</li> </ul> <b>Closing the Gap:</b> <ul style="list-style-type: none"> <li>EL Strategies</li> <li>Co-Teaching w/ SPED</li> </ul>                  | District Consultants                  |
| PD Day #4 -<br>March 15, 2024<br>6 hours    | 5/30, 6/6  | Achievement Gap, Transition readiness, proficiency | <b>PLC/ILT Refresh</b><br>This time will be designed to meet ILT's where they currently are. It will be a combination of discussion, reflection, and development. The time will be split between whole group instruction and independent time for ILT's to work. Potential sessions: <ul style="list-style-type: none"> <li>Building High Quality/Functioning Teams</li> <li>Planning Around the 4 Essential Questions</li> <li>Allowing Data to Drive the Process</li> <li>Development of Common Formative Assessments</li> </ul> | Solution Tree: Learning is Doing Text |

### C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT

Identify those systemic professional development needs that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):

**Dixie has a recursive process for job embedded training. Teachers meet weekly in ILTs. In these meetings they collaborate around planning instruction, create bi-weekly formative assessments, and analyze the student data from common formative assessments. Every other week on Wednesdays, administrators lead Planning Period meetings for teachers to receive regular, on-going job embedded training.**

| <i>CSIP Goal<br/>(Name)</i>  | <i>Description of Job-Embedded PD<br/><b>Learning Walks (PPR), data digs, weekly ILT meetings, bi-weekly planning period meetings, and direct in class coaching.</b></i>  | <i>Specific Supporting Resources,<br/>as needed</i>  |
|--|---|--|
| Academic Proficiency, Gap Transition readiness                       | Weekly Instruction learning team meetings to work together to analyze data, align standards, create common assessments, and use tier progression charts to make decisions on next steps of support.   | Administration, ILT handbook, Tier Progression Charts, Landing Page.   |
| GAP, Proficiency   | Monthly achievement gap workshops: EL & SPED  | Data collection, consultants,  |
| Academic Proficiency   | Teachers will conduct PPR walks with admin once every six weeks to allow teachers to see other teachers at work. Reflection and sharing of high quality instruction will be shared with teams.  | Administration   |
| Achievement Gaps, Proficiency,                                       | Planning period meetings based on data collected from PPR walks to address areas of growth within the Cycle of Quality Instruction.   | Administration, District Consultants   |
| Transition Readiness/ Achievement Gaps                               | Data Analysis (Data reviews to include analysis of students in the Gap)   | Consultants, Administrators, Assessment results (Common formative assessments, ACT, CERT, AP, SEB, dual credit, district common assessments) |
| Achievement Gaps, Proficiency, Transition Readiness, Graduation Rate | Instructional Technology coaches will provide monthly opportunities during planning periods and after school offerings to support the SAMR model for use of technology. Twice a year ITC will be made available to work directly with teachers in their classroom in implementing instructional technology. | ITC and Administrators   |
| Transition Readiness   | Adult Advocacy: Utilize PRIDE to provide student and teachers information on the KCSD transition readiness criteria and assist students in establishing goals for becoming College and/or Career Ready  | Teachers, Counselors, Administration   |
| Achievement Gaps   | Monthly self-reflection sessions analyzing the MTSS and SEB data to monitor progress, discuss root causes, and develop resources to support students.   | CCR/MTSS Coordinator, district consultants, administration.  |

## D. IMPLEMENTATION AND IMPACT

Implementation will be measured through a recursive data process:

- Weekly Review:
  - Special Education Progress Monitoring
- Bi-Weekly Review:
  - MTSS Data
  - RBTL Data
  - SEB Data
- Monthly Review
  - Common Assessment Analysis
  - EL Progress Monitoring
  - Standard Test Analysis

Measuring and monitoring actionable data through our recursive process will allow us to measure the effectiveness of instruction. Increased intentionality on Element 1 (task) and Element 2 (product) will have a direct and profound impact on the teachers ability to adapt instruction (Element 4) leading to greater proficiency and mastery of standards.

### E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|

### F. DATE(S) THAT OPPORTUNITY FOR INPUT WAS GIVEN BY PERSONS AFFECTED BY THIS PD PLAN: 3/9, 3/16, 3/23

## Scott High School

### 2023-24 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

#### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

#### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

Ongoing analysis of Common Formative Assessments, CERT, MTSS, Terrace Metrics, ACT results, failure rates, attendance, Progress Monitoring data, graduation rate projections, as well as trend analysis data from classroom walks throughout the school year.

Based on the data and the bulleted information below, next steps for the 23-24 school year were determined with input from administration, teachers, SBDM members.

- Graduation rate is not a Senior year phenomenon, it starts with a strong system of support for students throughout high school both academically and social emotionally. Our graduation rate had been trending downward, from 89.7% in the 2019-2020 school year to 84.3% in the 2020-2021 school year, but made slight gains to 87.2% in 2021-2022 School year.
- Our failure rates have remained high the last three school years, which has a direct impact on our graduation rate.
- Current instructional walk data shows a lack of rigor and standards-based instruction in certain content areas. As a school, 57.7% of walks have resulted in a reinforce for Element 1. Element 2 is reinforced 50.3% of the time, and Element 4 is not observed 43.6% of this time. This data shows a continued need to focus and develop teacher understanding of the Cycle of Quality Instruction.

- District Common Assessment data continues to show a need for ensuring standards based instruction is occurring in every classroom.
  - As of March 2023, the combined common assessment running average in math was 33.53% of all students are proficient on district common assessments. In reading, 33.08% of all students are proficient in district common assessments.
- Closing the gap with our students of disabilities, continues to be a focus. The March running average for district common assessments show 19.11% of students with disabilities scoring at the proficient level compared to 33.53% of all students. The gap is wider in reading where 8.08% of students with disabilities are scoring proficient compared to 33.08% of all students. In order to close gaps, we need to continue to focus and develop effective co-teaching models for special education collaboration.

Our plan to address the above concerns drive our professional learning priorities:

- Continue to refine the PLC process to include more focused and intentional data based work through Instructional Learning Teams (ILTs) specific to content taught, including:
  - Work to answer the four essential questions of a PLC
  - Development of Common Formative Assessments
  - Detailed analysis of Common Formative Assessments and Common Assessments to provide data in real time and include specific action planning as a result of the analysis (What instructional adjustments need to be made? Does a standard need to be retaught? etc.)
  - Continue working on the development of a common curriculum, based on the district curriculum map, that includes standards-based, rigorous instruction
- Identify and learn strategies to address the social emotional needs of our students and ourselves.

## B. PROFESSIONAL DEVELOPMENT SCHEDULE

Identify the activities for the four professional development dates in the approved district calendar:

### C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT

Identify those systemic professional development activities that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):

Job embed training will occur twice a month. ILTs will meet weekly. Common Formative Assessments will be given bi-weekly and the results will be reviewed at the next ILT meeting.

| CSIP Goal<br>(Name)  | Description of Job-Embedded PD   | Specific Supporting Resources,<br>as needed  |

|---|--|---------------------------------|
| Transition<br>Readiness,<br>Graduation Rate |  | Project Curriculum<br>Resources |
|---|--|---------------------------------|

## D. IMPLEMENTATION AND IMPACT

Impact will be assessed throughout the year through weekly data reviews by our ILT's and PLCs monthly. The ILT's will be looking at common formative assessments along with CERT, ACT, MTSS grade distributions, student work, PBIS, social/emotional, common assessments, & failure rates. Adjustments to the job-embedded needs will be made based on this data as well as PPR walk instructional trend data, administrator/teacher discussions, data collected in PLC/ILT meetings and curriculum committee minutes on instructional needs. We will be utilizing subs to help cover our co-taught classes twice during the school year to allow for continued learning of best co-teaching practices, planning, and implementation.

## E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT

Indicate approximate percentages for each of the following general expense categories:

| Type of Expenditure  | Munis code    | Percentage of Your Budget |
|--|---------------|---------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>-site Professional<br/>Learning)</b> | <b>0120 D</b> | 35%                       |
| <b>Certified Extra<br/>Service</b>   | <b>0113</b>   | 10%                       |
| <b>Educational<br/>Consultant</b>  | <b>0322</b>   | 10%                       |
| <b>Registrations</b>   | <b>0338</b>   | 5%                        |
| <b>General<br/>Supplies/Professional<br/>Books</b>   | <b>0610</b>   | 20%                       |

## Simon Kenton High School 2022-23 Professional Development Summary

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are transition ready and prepared for the 21st Century Economy.

Our goals include:

- Transition Readiness Rate 100%
- Attendance Rate 96.25%

### CBAS Pillars

- Student Learning and Progress
  - Ensure academic success for all students so that every student reaches his/her maximum learning potential
- Student Readiness
  - Ensure all students are prepared with the knowledge, skills and dispositions to be transition ready
- Engaged, Well-Rounded Students
  - Engage students in a way that contributes to their overall development and future wellbeing
- Community Engagement and Partnerships
  - Ensure all stakeholders in the community have the opportunity to meaningfully engage and support all schools in the KCSD
- Professional Learning/Quality Staff
  - Ensure that every student has quality teachers and adults that promote the learning and well-being of students
- Fiscal and Operational Systems
  - Ensure the district is financially responsible/efficient and using its resources to further the district mission
- Safety and Well-Being
  - Ensure students are educated in an optimal environment that is safe, secure, and conducive to learning. This includes both physical safety as well as the social/emotional needs of each student

### A. DATA COLLECTION/ NEEDS ASSESSMENT

*Describe the needs assessment process for identifying professional development (e.g. student performance data, data analysis, teacher needs and strengths surveys, etc.):*

Instructional walk data showed a need for a renewed focus on eliciting a product from all students—element 2 in the quality of instruction. Of the feedback given to teachers since January, 38.9% of instances have involved recommendations to adjust techniques in this element of instruction.

Our state assessment data did qualify Simon Kenton for TSI status for students with disabilities in the 22-23 school year. Also, district common assessment data shows a continuing gap in the area of students with disabilities.

 21-22 KSA TSI Scores and Data

 Simon Kenton High School 21-22 Assessment Information

 22-23 Data Dashboard

To support this element of the Cycle of Quality Instruction, our school will continue utilizing ILT structures that have been implemented in 22-23. The intention of this process is to ensure all tasks are aligned to standards and more specifically, that planning is done to ensure tasks are presented to students that require them to create a product. This will include a meeting weekly with an administrator and subject area teachers to ensure high-quality tasks are being utilized in all classes and in-house common assessments to accurately measure student mastery of

standards. To enhance the effectiveness of these ILT meetings, summer and ongoing training will be provided to support the work.

The other initiative is to enhance the SEL instruction in Tier 1 in our school. Discipline data shows some disproportionality in data for students with disabilities.

### C. ON-GOING, JOB-EMBEDDED PROFESSIONAL DEVELOPMENT

Identify those systemic professional development activities that ensure personnel are qualified and effective in their teaching area(s) and teaching assignment(s):

I

| CSIP Goal<br>(Name)  | Description of Job-Embedded PD   | Specific Supporting Resources,<br>as needed  |
|--|--|--|
| Proficiency,<br>Separate<br>Academic<br>Indicator, Gap,<br>Transition<br>Readiness,<br>Graduation<br>Rate, Other<br>(Impact) | Training on expectations for ILT including use of common assessments and analysis for data.<br>REcurise review of progress on ILT performance.<br><br>ILT meetings are held weekly.<br>PLC meetings are scheduled three Thursdays per month during planning periods. | Consistent document for meeting agendas, minutes, and data analysis on a running document to measure progress. |
| Proficiency,<br>Separate<br>Academic<br>Indicator, Gap,<br>Transition<br>Readiness,<br>Graduation                            | Analysis of CERT, KSA, Terrace Metrics and ACT data when data is made available for each assessment result.  | Access to test scores and graphic organizer for disaggregation of data.  |

| Rate, Other (Impact)   |   |  |
|--|---|--|
| Proficiency, Separate Academic Indicator, Gap, Transition Readiness, Graduation Rate, Other (Impact) | Training on elements of the cycle of quality instruction to include element 1 - appropriate task, text, or problem, specifically, how to ensure lessons meet the level required by the standard. Also includes element 2 - eliciting a product from all students, specifically, sharing and exploring effective methods of obtaining a product. Includes element 4 - adjusting instruction in response to students, by sharing best practices for doing so. | Landing page resources, possible involvement by consultants. Substitutes may be used to allow teachers to visit others when appropriate. |
| Proficiency, Separate Academic Indicator, Gap, Transition Readiness, Graduation Rate, Other (Impact) | Training on use of Schoology to enhance the use and effectiveness of using our new LMS. This will focus on enhancing teacher's ability to effectively use Schoology to organize information including classwork, use Schoology as an effective tool for communication with students and parents, and to use the features of Schoology to effectively implement 1:1 instruction.   | School Technology Support Staff (ITCs). Use of substitute teachers to allow support staff to lead training sessions.                     |
| Proficiency, Separate Academic Indicator, Gap, Transition Readiness, Graduation Rate, Other (Impact) | Common assessment training to enhance use of and effectiveness of assessments. This will include ILT groups and special education teachers to accomplish two tasks. One, to improve instruction resulting in higher proficiency and separate academic indicator scores on common assessments, KSA, and college readiness exams. Two, to reduce the achievement gap, specifically with regards to special education students.                                | Possible consultants with ILT members. Substitutes may be needed to provide time for collaboration beyond a planning period.             |
| Proficiency, Separate Academic Indicator, Gap, Transition Readiness, Graduation Rate, Other (Impact) | SEL training to enhance social-emotional support effectiveness. These sessions are meant to enhance teacher efficacy in delivering lessons on SEL and to support school efforts to support the social emotional health of students. This includes restorative practices to enhance effectiveness of discipline and school culture.  | Resources shared at counseling meetings and brought to staff   |
| Proficiency, Separate Academic Indicator, Gap, Transition Readiness, Graduation                      | Trauma-informed care to further develop the approach of handling students who have experienced trauma appropriately. These sessions will help support the SEL and PBIS goals of the school.   | Resources shared at counseling meetings and brought to staff   |

|  |   |   |
|--|---|---|
| Rate, Other<br>(Impact)  |   |   |
| Proficiency,<br>Separate<br>Academic<br>Indicator, Gap,<br>Transition<br>Readiness,<br>Graduation<br>Rate, Other<br>(Impact) | MTSS training to enhance understanding and utilization of MTSS supports. These sessions will help teachers understand the MTSS process and their role in it.  | Resources from training, measurement tools, instructional resources, links from district landing page.              |
| Proficiency,<br>Separate<br>Academic<br>Indicator, Gap,<br>Transition<br>Readiness,<br>Graduation<br>Rate, Other<br>(Impact) | PBIS/SEB training to develop and enhance the effectiveness of classroom management techniques. These sessions will support all staff efforts to use best practices in creating a positive classroom environment, which impacts graduation rates and all academic areas.   | Resources from training, measurement tools, instructional resources, links from district landing page.              |
| Proficiency,<br>Separate<br>Academic<br>Indicator, Gap,<br>Transition<br>Readiness,<br>Graduation<br>Rate, Other<br>(Impact) | Transition readiness training to build capacity of staff to support school and district CBAS goals. These training sessions will remind teachers of transition readiness goals, define their roles in promoting transition readiness, and equip them to assist students in meeting transition readiness indicators. | Transition readiness documents, timelines of expectations for teachers and students regarding transition readiness. |

## D. IMPLEMENTATION AND IMPACT

### Measurements:

- District Common Assessment Data

District common assessment data will be analyzed in ILT meetings. The evidence of that discussion and next steps will be documented in the running minutes of discussion for the ILT team.

- ILT Common Assessment Data

Formative common assessment data will be analyzed in ILT meetings using Performance Matters. The evidence of that discussion and next steps will be documented in the running minutes of discussion for the ILT team.

- Special Education IEP Goal Monitoring

Administrators randomly select students from each assigned case managing teacher weekly to check data entry. Areas to correct or address are shared with the teacher who develops a plan to address any issues. Each case managing teacher will update their data on the IEP goal monitoring sheet at each midterm and end of quarter.

- Staff Feedback Forms

Feedback is given to staff members after PPR walks.

- Cycle of Quality Instruction Feedback Data Trends

The feedback given to teachers is aggregated to display trends school-wide. This data will be shared with teachers in each weekly message (not identified by teacher)

- Terrace Metrics Data (SEB/Trauma)

At the conclusion of each administration of the Terrace Metrics Screener, a PLC will be held to educate staff on the trends for students mental health screening. Acute cases will be communicated with the teachers if necessary.

- Transition Readiness Data

Transition readiness data is updated consistently throughout the year. This data is shared with staff and parents through the weekly memo.

## **E. BUDGET PROJECTIONS FOR PROFESSIONAL DEVELOPMENT**

*Indicate approximate percentages for each of the following general expense categories:*

| <b>Type of Expenditure</b>   | <b>Munis code</b> | <b>Percentage of Your Budget</b> |
|--|-------------------|----------------------------------|
| <b>Certified Substitutes<br/>(for both on and off<br/>–site Professional<br/>Learning)</b> | <b>0120 D</b>     | 25                               |
| <b>Certified Extra<br/>Service</b>   | <b>0113</b>       | 0                                |
| <b>Educational<br/>Consultant</b>  | <b>0322</b>       | 20                               |
| <b>Registrations</b>   | <b>0338</b>       | 15                               |
| <b>General<br/>Supplies/Professional<br/>Books</b>   | <b>0610</b>       | 20                               |

|                               |             |             |
|-------------------------------|-------------|-------------|
