Facilities (Construction and Naming)

NAMING OF NEW OR EXISTING SCHOOLS, FACILITIES, AND ALTERNATIVE EDUCATION PROGRAMS (CONTINUED)

District facilities may be renamed in the event they are closed and reopened or if current name does not meet the naming criteria above.

The Superintendent/designee, in collaboration with an appointed committee reflective of the local community, shallmay recommend to the Board a name or names for a new building, facility or property.

NAMING/RENAMING OF EXISTING PROPERTY

After considering the recommendation of an ad hoc committee, the Board may name or rename an existing property or portion thereof in honor of a deceased staff member, community member or former student who achieved national, state or local prominence.

By March 30 of each year (to be effective the following school year), a School Based Decision Making (SBDM) Council may make a naming/renaming recommendation to the Superintendent. For existing rooms or spaces that do not have an SBDM Council, a staff member may make a recommendation to the Superintendent. The Superintendent shall then appoint an ad hoc committee to review suggestions received for naming/renaming of existing properties for a deceased individual.

NAMING/RENAMING OF EXISTING PROPERTY (CONTINUED)

Areas subject to recommendations include a gym/arena, auditorium, library/media center, cafeteria, or an outdoor property (courtyard, stadium, field or sub-parcel of land where students participate in extra and co-curricular activities).

The committee shall present to the Superintendent its recommended response to suggestions and supporting rationale. The Superintendent shall present to the Board for its consideration those recommendations that support approving a new or different name.

CORPORATE NAMING

The Board may also authorize corporate naming rights for new or existing facilities in consideration of financial donations made to the District.

The Superintendent/designee, in collaboration with an appointed committee reflective of the local community, shall review corporate names for new or existing facilities.
