Memo to the NKCES Board

Regional School Programs requests to add a therapeutic position for the 2023-2024 school year.

Based on the additional increase in program slot commitments for the 2023-2024 school year, we request a staffing increase to be approved to support the success and services of students in the program. This increase is a new position and we request approval of the job description accordingly.

The following additional positions with job description are being proposed for the 2023-2024 school year :

- One Therapeutic Position (Mental Health and Crisis Intervention Position)
