

APPROVAL OF SCHOOL ACTIVITY FUND BUDGETS

BACKGROUND AND RATIONALE:

Kentucky Department of Education regulation 702 KAR 3:130(3) and KRS 156.070 requires local boards of education to approve school activity fund budgets annually according to the guidelines as set forth in the handbook, **Accounting Procedures For Kentucky School Activity Funds (August 2019)**. These funds are kept in a designated depository account for each school. The budget development process should be consistent with the school council budget development process and consistent among fund raising requests from school support groups.

The following schools have provided their school activity fund budgets for review.
