

NORTHERN KENTUCKY UNIVERSITY: ELEMENTARY OPTION 9 PROGRAM

1

Expedited Program

As a paraeducator in this program, you will get a Bachelor's of Science in Education (BSEd), with an emphasis in Elementary Education. The program will be offered over the course of three years during summer, spring, and fall semesters, beginning July 2023. Job embedded experiences and coursework offerings at times and in formats that align with your work expectations are included.

2

Information Sessions

Sessions with NKU faculty, admissions, and financial aid representatives will be held on the following dates/times. (Click on the NKU button for the active link to join the session - or email fairg1@nku.edu for the link.)

May_2: 4 - 5 PM

May_4: 3 - 4 PM

May_8: 3 - 4 PM

May_10: 4-5 PM

3

Cohort Model

The program is designed for a cohort of paraeducators, so you will not take courses in isolation. A group of students will work on classes as a collective, with NKU providing unique support, assisting with admission requirements, and advising for scheduling.

4

District Partnerships

Districts interested in partnerships should return MOAs, signed, to Ginni Fair by May 20, 2023.
