RE: Care Solace Partnership

This is a request for Board Approval to work with Care Solace by partnering with this agency to provide care coordination services for BCPS to promote community access to mental health care and support student well-being and learning. Care Solace is designed to work alongside the school's multi-tiered systems of support (MTSS) and help schools triage and support student mental health needs and provide a confidential wraparound resource for staff members and families.

I request that the Board approve the administration of this partnership as another layer of intervention in providing mental health support for students.

Thank you so much for your time.
