Re: FastBridge

### **Rationale**

Senate Bill 9 (2022) Read to Succeed Act Implementation Timeline Senate Bill (SB) 9 (2022) contains an emergency clause, which allows the bill to become law effective immediately upon its signing by the governor.

- ☐ All teachers of students in K-3 shall be trained on any reading **diagnostic assessment** AND universal screener selected by the superintendent prior to administration of the assessment in the 2023-2024 school year.

**Beginning in the 2023-2024 school year**, if the reading diagnostic assessment demonstrates that a student's rate of progress toward proficiency in reading needs accelerated interventions, the local school district shall provide:

- Enrichment programs through grade 3 using evidence-based reading instruction;
- Intensive instructional services, progress monitoring measures and supports to students through grade 3;
- Parents and legal guardians of students identified for accelerated interventions in reading with a "Read at Home" plan.

### **FastBridge Agreement**

The agreement will provide the KDE-approved diagnostic assessment for reading that is aligned to SB 9 for students in K-3. This contract comes with a math and social emotional screener as well. We will not be using the social and emotional screener, at this point, based on legislation related to mental health assessments for the 2023-2024 school year until we have more guidance. FastBridge will replace our current early literacy assessments such as DRA, PASS, etc. In addition, there is required professional development that is included in this agreement. The total cost of software subscription, system management, assessments and professional learning is \$45,932 and will be funded through ESSER for the 2023-2024 school year.
