

03/29/23 – OFFICIAL OF THE YEAR WINNER ANNOUNCED FOR BASKETBALL

FOR IMMEDIATE RELEASE: MARCH 29, 2023

Each year, the Kentucky High School Athletic Association honors the top officials for the 10 sports in which it licenses officials. Finalists in each sport are selected through a combination of not only on-field performance but local association activity and leadership, training efforts and the mentoring of newer officials.

One official in each sport is named “Outstanding Official of the Year” for their sport in appreciation of the service to schools and student-athletes across the state. Winners are selected following consultation with secretaries, veteran officials’ observers, coaches throughout the state and additional staff review.

The Outstanding Official of the Year for the 2022-23 basketball season is **Jason Wilkins** of Central City. He received a commemorative watch and certificate courtesy of the Officials Division Trust Fund, with the Official of the Year additional recognition award.

With officiating numbers declining at the national level, the KHSAA is always accepting applications from officials in giving back to their community. Officiating remains a great avenue to stay active, earn extra spending money and help preserve high school athletics for the current and future generations.
