Re: Instructure Agreement (MasteryConnect)

The attached agreement is to provide the MasteryConnect platform for all 13 elementary schools to create assessments aligned to reading, math, science, and social studies standards using assessment items organized by DOK level. Our elementary schools have been using this platform for several years to create and administer standards-based assessments for formative and summative purposes. In addition, the platform complements the utilization of IReady that will be our reading and math universal screener for the 2023-2024 school year. The total cost of the agreement is \$66,590.19 and will be paid through Student Learning funds.

Approval is requested for the Instructure agreement.

Metrics and Descriptions:

User: User Metric reflects the maximum number of individuals authorized by the Customer to access and/or use the Service and Customer has paid for such access and/or use.

In the event Customer enables access to the Service to more Users over a given contract year than are allocated to such contract year as set forth above, then Instructure reserves the right, in its sole discretion, to invoice the Customer for such additional number of Users. In addition, the User fees set forth above are based on the assumption that Customer's Users will use the Service commensurate with the average usage patterns of users across Instructure's user base in the aggregate (such average usage being referred to herein as "Typical Use") and do not account for usage of the Service by Customer's Users beyond such Typical Use. To the extent the Users' usage of the Service, in the aggregate, exceeds the Typical Use at any given time, Instructure reserves the right, in its sole discretion, to increase the fees by an amount proportional to such excess usage. In the event Instructure increases the fees pursuant to this paragraph, Instructure shall send an invoice to Customer for the applicable increase along with documentation evidencing the additional usage of or additional Users who have access to the Service giving rise to such fee increase. Any invoice sent pursuant to the foregoing shall be due and payable within 30 days of receipt.
