RE: Request for funding to pay for Background and CAN (Child Abuse and Neglect Check) for all full-time Certified and Classified Employees for 2023-24 school year, as well as any coach

CCPS Personnel is requesting to use our budget to pay for the Background Check and Child Abuse and Neglect Check (CAN) for all new full-time certified and classified employees hired for the 2023-24 school year, as well as any coach.

We are budgeting an approximate \$20,000 to cover the cost as the Background Checks costs \$51 per person and the CAN checks costs \$10 per person. This will cover approximately 300 full-time certified and classified employees and any coach.
