

Kentucky Department of Education,

The Powell County Schools Local Planning Committee, in conjunction with The Powell County Board of Education, is requesting a one year waiver for developing our District Facilities Plan for the following reasons:

1. Powell County Board of Education has voted to request a DFP waiver from KDE.
2. It has been less than eight (8) years since the new DFP has been developed by the Local Planning Committee and approved by the KBE.
3. The District shows no significant change in enrollment, educational programs, or building needs since the last district facility plan was developed.
4. Bonding potential doesn't allow for broad planning at this time.

Thank you for your consideration,

Sarah Wasson
Superintendent, Powell County Schools
