Alicia,

PCHS currently has \$21,664.68 in our Munis accounts. Based on this past month I expect to spend approximately \$1,080 in images to Ricoh. I expect to spend approximately \$270 for shredding services.

Dr. Kincaid would like to purchase a digital marquee for our school with the remaining site based funds. The remaining balance of \$20,314.68 would go toward the purchase of the marquee. There would still be a balance which we would continue payment with our funds for the 2023-2024 calendar year.

If you have any questions please feel free to contact Dr. Kincaid or myself.

Thank you,

Dr. Jennifer Kincaid

To whom it may concern:

After reviewing the budget for 2022-2023 school year, we are requesting that approximately \$4000.00 from our SBDM funding source be rolled over into the 2023-2024 school year. The funds will be utilized to pay upcoming bills such as our lease agreement with Ricoh and Toshiba for our copies and images. The remaining funds will be used to purchase general supplies that may be needed. This amount is approximate. Thank you for your time and consideration.

Dear Powell County Board of Education,

On behalf of Stanton Elementary, I would like to request the approval of allowing us to carry over roughly \$9,800 in our SBDM budget into next year's budget. This money will be spent at the beginning of next school year to help cover the cost of school supplies for our students.

Respectfully,

James Crase
