

### **Western Kentucky University Basketball Camp**

- This is a yearly camp hosted by Steve Lutz Basketball Camps on Western Kentucky University campus. Each year teams from across the state participate in a 2-3 day camp in which coaches and players can stay on campus as a team. The goal is to give players an environment to build team chemistry, exposure to different teams, and network to provide next level contacts for furthering their playing potential.
- Camp dates are June 8th, June 9th and come home after a single elimination tournament on 10th
- Cost to attend is covered by PCHS boys basketball funds that we have fundraised throughout the year
- Lodging and food are covered within this Camp fee (\$160 per kid). Players may bring additional money if they choose to buy things outside the scheduled meals and games.
- Day 1: Arrival, check in to dorms, 3 games guaranteed, and dinner provided at the campus cafeteria.
- Day 2: 3 more games guaranteed, breakfast, lunch, and dinner is provided.
- Day 3: Single elimination tournament return home
- We are requesting a bus driver to attend and stay overnight, cost is similar in both scenarios, however the freedom to come and go as opposed to being stranded on campus is desired. If permitted we will use one of the evenings to do some off campus activities, such as dinner and a movie, bowling, etc with just our team. This isn't possible without our own transportation
- Cost analysis:
