Good News Report

Penny war was a huge success with enough funds to cover the cost of the carnival. Second grade was declared the overall winner. The first day back from Spring Break we had 5 homerooms with perfect attendance. Our homeroom attendance competition is going strong and parents are receiving the message of how important it is to get their kids to school on time. The March student incentive was a big hit and students talked about how excited they were to participate. We currently have over 10 students who have completed their Lexia program! Their name and photo is proudly displayed on the Lexia Superstar wall. Lexia level growth is showing an upward trend. We hosted our first ever Kindness Matters Family Night. We are happy to welcome Jenni Johnson, a new 2nd grade staff member.
