

# SUPERINTENDENT MONTHLY UPDATE

## MAY 2023

# Goals

## Standard 2: Instructional Leadership

- Completed testing at all levels - awaiting results
- Completing preparation for District/School Collaborative PD Process to address standards alignment and congruency, co-teaching, specially designed instruction, trauma-informed care, and individual staff needs

## Standard 4: Human Resource Leadership

- Began the Hiring Process for Camp Dick Robinson Elementary Principal
- Implemented revision of the HR process to streamline the process for new hires in all categories - ensures expedited responses and accuracy of positions and funding

## Standard 5: Managerial Leadership

- Completed Bond Sale for the GCHS Project
- Value engineering process created approximately \$2 million dollars in savings with no negative impact on the project

## Standard 6: Collaborative Leadership

- Continuing work with Summit Engineering and County Sanitation District for possible solutions for Waste Water Treatment Plants at Camp Dick Robinson Elementary and Paint Lick Elementary
- Initiated a conversation with neighboring districts about possible sharing of staff in shortage areas.
