

Parents & Guardians,

School fees are being collected for the 2023-2024 school year. School fees will be used to purchase instructional resources for our students.

Fees have been set as follows:

- Elementary Schools (K-5) \$20.00
- Middle School (6-8) \$30.00
- High School (9-12) \$60.00

If you feel this would be a hardship on your family, there is an Application for Waiver of Fees that you can request. If you qualify, the fee may be reduced or waived. Please contact your child's school to receive a waiver form.

Thank You,

Mark Thomas
Superintendent
