CTE EXCEPTIONAL EDUCATION OUTREACH

- Supporting students and teachers to meet the needs of exceptional learners in the CTE classrooms and beyond!

We have loved showing off our students and increasing our social media presence this year!

STUDENT NEEDS

Providing support for Exceptional Learners at the ATC.

Scope of Services

Recruitment and enrollment, career awareness opportunities, facilitate transition assessment, improve special education systems on behalf of exceptional learners at the Garrard ATC

Reasons for Implementation

District-requested support for exceptional learners within the CTE curriculum through triangulation of both qualitative and quantitative data.

Program Goals

To develop, implement, and maintain partnerships among and between secondary/postsecondary institutions, businesses, and employers

PROGRAM SUCCESSES

Things to celebrate!

CTE Classroom Support

- Collaboration on Specially Designed Instruction in ATC Pathways
- ATC representation at ARCs and PLCs
- Intentional scheduling of exceptional learners at feeder schools
- TAP vocational assessment to determine student strengths and needs
- Employability skills coaching through monthly student meetings

Outreach Efforts

- Student success posts on social media
- Powered by Inclusion Scholarship recipients
- CTE Summer Camp for students interested in pursuing ATC pathways
- Pathway communication documents (Guidance, Mock Schedules, Progression Chart, etc.)
- Parent newsletter, open house/transition nights
- Improved communications

PROGRAM CONSTRUCTION STILL UNDER PROGRESS

As with the start of any new program, there are things we did well from the onset, and then there are things we would like to prioritize in the upcoming school year. We have made incredible progress this year, and can now build on the solid foundation this program has constructed to support our exceptional learners.

Employer Connections

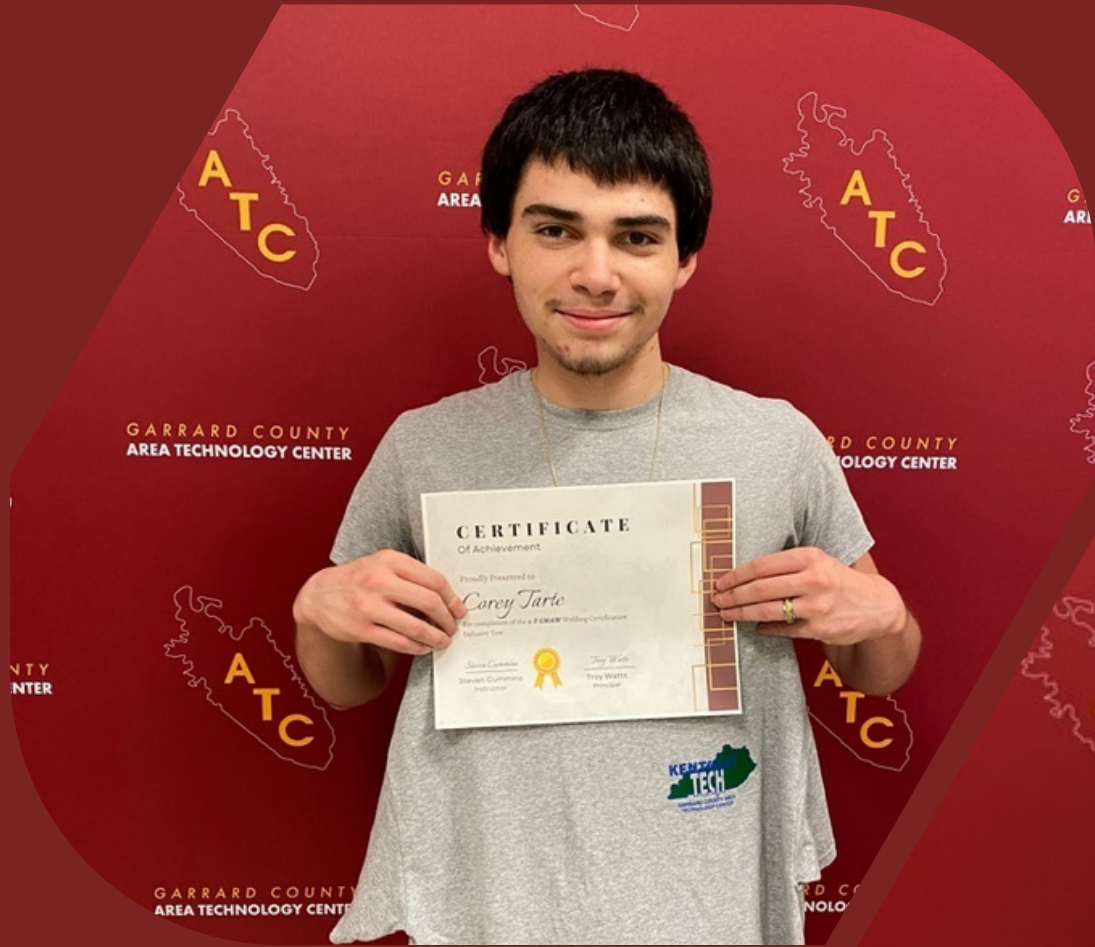

- Fall Career Fair/CTE Expo Night
- Work-Based Learning Opportunities
- Job-shadowing
- Summer Camp Guest speakers in pathway industries
- Chamber of Commerce partnerships

Active Family Involvement

- Summer Office Hours supporting employment, pathways, post-secondary opportunities
- CTE Family Night
- Summer meetings with feeder school representatives
- Outreach Coordinator consent to attend ARCs
