**Consider/Approve** changing the funding source for the Microsoft Licensing renewal with SHI for the 23-24 school year from KETS to Computer Maintenance (GF).

**APPLICABLE BOARD POLICY:**

01.11 General Powers and Duties of the Board: School Funds and Property

**HISTORY/BACKGROUND:**

Microsoft Assurance Licensing is an annual renewal that is required to maintain and support the District's existing Microsoft structure. In June 2022, KCSD approved entering into a new 3 year agreement with SHI International Corporation for annual renewals with a funding source of KETS. Due to additional KETS purchases for wireless networking components and server replacement, it is necessary to switch the funding source for 1 year from KETS to Computer Maintenance (GF) for this renewal. The annual renewal will return to KETS in 24-25 school year.

**FISCAL/BUDGETARY IMPACT:**

\$90,654.51 – funding source change

**RECOMMENDATION:**

**Approval to** changing the funding source for the Microsoft Licensing renewal with SHI for the 23-24 school year from KETS to Computer Maintenance (GF)
