Submit Extensions & Applications for Student Chromebook Devices

- Teachers must submit extensions and applications that they want students to have access to install on their Chromebooks.
- Students will only be able to install extensions and applications that have been approved.
- The form below is NOT for purchased software or websites.
- For any FREE Chromebook extensions and applications, fill out the form below. You do not need to get board approval because the process for FREE Chromebook extensions and applications has already been approved.
- For any Chromebook extensions and applications that require a purchase, you need to get board approval (via whatever process your building has for that). After board approval, please have your STC place a work order.

If you have any questions, please contact your TRT.

Submit Apps for iPads

iPad Apps will need to be submitted for approval every year, at the start of the new school year (any time after July 1st).

- Teachers/District Employees must submit iPad Apps that they want for students/teachers/district employees to have access to install on their iPads.
- Devices will only be able to install iPad Apps that have been approved.
- For any FREE iPad Apps, fill out the form below. You do not need to get board approval because the process for FREE iPad Apps has already been approved.
- Some iPad Apps are district-provided programs and need no approval. Refer to the "Comp Portal" on the iPad and select "View All Apps" to view the district-provided iPad Apps. If the iPad Apps needed is not listed, fill out the form below.
- For any iPad Apps that requires a purchase, board approval will be needed (via whatever process your building has for that). After board approval, please use the form below to submit verification of the approved iPad Apps purchase.

If you have any questions, please have your STC submit a work order.
