Re: June 19th Board of Education Meeting Student Recognition: Samantha German

Recently, we had a Bullitt East High School freshman, Samantha German, compete in the Kentucky State High School Rodeo Finals. She qualified for this competition by performing well at multiple competitions across the state throughout the rodeo season. In the finals, Samantha competed against other students from Kentucky, Indiana, and Tennessee, placing second out of over 40 other barrel racers. She will now go on to Gillette, Wyoming to compete against the best barrel racers in the nation at the National High School Rodeo Finals, and we wish her the best of luck!

Congratulations, Samantha!

SAMANTHA GERMAN
STUDENT SHOUT OUT

During the Kentucky State High School Rodeo Finals, Samantha German competed and left with an amazing opportunity. Samantha had to qualify throughout the rodeo season at multiple competitions in every corner on the state. She competed against Kentucky, Indiana, and Tennessee and she placed 2nd out of over 40 Kentucky high school barrel racers. She will now go to Gillette, Wyoming to compete against the best barrel racers in the nation at the National High School Finals Rodeo where she will do her best to represent Bullitt East as she "charges" her way to a possible National Championship.
