

Bellevue Independent Schools Surplus Request

Submitted by: Chris Wheeler, Band Director – BHS

Item: Unmarked donated trumpet (received at the front desk one day)

Quantity: 1

Rationale: Severe corrosion, nearly all components are stuck or completely dysfunctional. Model is so old that repair is highly and unlikely and cost prohibitive.

Item: Sheet music

Quantity: Around 50 piece

Rationale: Far out of date. (composition and arranging style is inappropriate for our group). Missing several parts from each piece, most of them essential. Music is very old, featuring tunes that quite frankly weren't that good and won't resonate with kids today. (we're talking 50-80 years old) And above all other reasons, most of this music is physically corroding and disintegrating. Preserving it would be a labor intensive and time consuming effort, which also clashes against our goal to preserve and update our music library of quality music.

This is the equivalent of trying to keep and hold on to far out of date textbooks and resources from the 1940s. It makes no sense given the current mission and status of our curriculum.
