RE: THRIVE Academy: New Teacher Induction

A handwritten signature in dark ink, enclosed within a hand-drawn oval. The signature appears to be 'AU'.

Since the Kentucky Internship Program (KTIP) has been unfunded for several years now, we have instituted a New Teacher Induction Program called THRIVE for the last few years. Due to the positive feedback from past participants through surveys, we would like to continue our new teacher program. We have worked to revise our program for the upcoming year for increased teacher support and provide a more comprehensive mentoring program. This model is based on the work of Dr. Tina Boogren who specializes in the necessary and critical support that new teachers need in their first year to provide a solid foundation into their future years of teaching.

Attached you will find substitute contracts for Terri Lewis and Carrie Compton who will serve as our THRIVE Academy coaches to provide mentoring, support, coaching, and professional learning for teachers with zero years of experience. The total cost of the work is \$67,050.00 for professional learning services and travel. Approval is requested for the attached, signed substitute contracts to be utilized for the purpose of implementing our New Teacher Induction Program, THRIVE.
