Fiscal/Budgetary Impact: No Additional Cost

History/Background: Allen Elementary conducts school wide fundraisers to raise funds to improve school programs. All money raised will be used to fund more student activities. Such as field trip admissions, field days, bus fees, student incentives, school t-shirts for students, after school student activities, and support for various student activity programs. The additional funding generated through fundraisers will also help cover regional, state student organization fees. By school wide fundraising, additional funds will be able to provide more student opportunities at AES.

Recommended Action: The administration at AES requests the fundraisers be approved to provide our school with additional funds for the 2023/20234 school year. The money raised will directly benefit the students and programs of Allen Elementary.
