

June 2023
Director of Student Services
Board Report

Custodial

- New position created as Lead Custodian for District Office
- Summer Cleaning is going well. Both buildings have the 2nd floor almost completed.

Maintenance

- DHS Gym Floor should be completed by June 20th
- DHS Gym Bleachers are to be installed starting on June 26th
- General Maintenance requests are being completed per teacher requests
- Advanced Mechanical and Thomas Controls Services have begun working on our Chiller and Boiler Equipment at LES.

Property Acquisition

- The apartment buildings have been demolished and API has been started on as well.
- The next stage of the demolition is to move storage buildings and cooling tower.
- Meeting on June 19th with Joe Hayes and KLH Engineering to discuss options for cooling tower.

School Safety

- Officer Brendel has provided the district with items to complete over the summer to increase safety.

Transportation

- We had 18 extracurricular field trips in May
- We had 5 academic field trips in May
- Bus 1 is still having work completed at Kenny's Collision.
- No update on our new bus. I do not expect it before December

Student Attendance/DPP

- End of Year Enrollment is 767 – 404 at LES and 363 at DHS.
- Attendance for the year is 91.40%. LES is at 92.90% DHS is at 89.62%.
