TERMS OF SERVICE

Thank you for using one of Ident-A-Kid Services of America, Inc. (ISA) products and services. This refers to Ident-A-Kid's Visitor Management system (IVM), Volunteer Management App, Integrations and Child ID, referred to as the Services going forward. These terms of service, including the Privacy Policy and Security Policy (collectively, the "Terms"), are a binding legal contract between ISA, Inc., its subsidiaries, affiliates and licensors (collectively, "ISA") and the individual or legal entity who subscribes to the ISA Services ("You"). By installing, accessing or using the Services, You represent that You have the authority to enter into these Terms. If You do so on behalf of a legal entity, You represent and warrant that You have the authority to accept these Terms on behalf of that legal entity. These Terms govern Your use of the ISA online service, any service offerings or features provided by ISA, the ISA websites, any ISA downloadable Client software which is provided solely for the purpose of accessing the services (a "Client"), and any updates and written documentation (together with the Client, the "Services"). These terms can be modified at any time without notice. To stay informed of any changes, please review the most current version of these Terms at identakid.com/terms. If You do not agree to be bound by these Terms, You may not use the Services.

YOUR ACCOUNT. To access and use the Services, You must create an ISA account that is protected by a username and password (Your "Account") and have a valid software subscription license.
