## **July Board Report**

Submitted by Alison Teegarden

### **Curriculum & Instruction**

- Rolling audit planned for 23/24 of curriculum and instructional resources
  - Data focused guiding questions for 23/24:
    - How can we determine if this resource is moving student learning forward?
    - What evidence do we have that this resource is moving students toward success?
    - If we don't have data to prove this resource is impacting student learning, is it time to let it go?
