**Fiscal/Budgetary Impact: None**

**History/Background:** In order to build a legitimate baseball program at Prestonsburg High School, the baseball team would need to participate and have the experience of a spring training event that allows them to train, practice, and play games outside the state of Kentucky to benefit from weather, competition, and a spring training experience. Prestonsburg High School Baseball has participated in events such as this for the past 2 years. The annual trip provides a great experience for the team; not only in competition but team chemistry.
