RE: Request to Install Irrigation System at BEHS.

I am requesting the Board's approval to use contingency money to install an irrigation system on the practice field at Bullitt East High School. Performance Irrigation has the low bid of \$43,780.00. Beginning contingency balance of \$386,869.67 and ending balance of \$343,089.67.

I recommend approval of this request. Please contact me should you have additional questions.
