<b>NFHS Summer Meeting</b>	
<b>Sessions Attended</b>	Lessons Learned from State Association Service; NIL Update; Golf & Basketball Discussion Forums; and Legal/Sports Medicine Workshop
<b>Takeaways to help Board and Staff</b>	It was informative to hear the issues that we deal with are common throughout the country, and that the KHSAA is ahead of many associations on several topics. Also apparent is the respect that other associations have for the KHSAA, Mr. Tackett, and the staff.
<b>General Commentary</b>	Thank you for a great opportunity & experience to attend the NFHS Summer Meeting. It was enjoyable & beneficial to attend and learn from others around the country.
