<b>NFHS Summer Meeting</b>	
<b>Sessions Attended</b>	The General session each day Lessons Learned from State Association Service NIL Update Bench bad behavior - bringing Civility back Performing Arts Roundtable
<b>Takeaways to help Board and Staff</b>	Our Board and staff are very progressive and looking for ways to grow/improve. Our board and staff always makes kids/schools a priority. Decisions are not based on adult needs; accountability and relationships are a focus and that should continue, too.
<b>General Commentary</b>	Great opportunity for our KHSAA staff to network and collaborate with other athletic organizations across the US. The comradery is evident and KHSAA is highly regarded.
