Topic NFHS Summer Meeting Attendance

NFHS Summer Meeting

Sessions Attended Spirit Summit, SW/DV Rule Interp, Middle School Summit, All General Sessions, Women's Leadership Luncheon and Networking Social, Track & Field Forum, Assistants Roundtable, Inclusion of Students with Disabilities Forum.

Takeaways to help Board and Staff These meetings and events are very beneficial in not only understanding how other state associations operate, but also for creating a network of other state association staff members who can be helpful in many situations. I appreciate networking with others and using shared experiences to grow together for kids.

General Commentary As always, I appreciate the opportunity to attend a grow professionally on behalf of the KHSAA.
