RE: Prime Date Report for 2022-23

---

After review of the 2022-23 KHSAA member schools' girls' basketball schedules, I have found the following member schools who failed to comply with any of the methods outlined in the Board of Control's Prime Date Scheduling policy:

Knox Central  
Lafayette  
Letcher County Central  
Newport Central Catholic  
Oldham County  
Owen County  
Paintsville  
West Jessamine
