

**Name** Commissioner Julian Tackett

**Topic** Attendance on Behalf of KHSAA

**Attendance for KHSAA**

**Meeting\_Session Attended** KASA New Superintendent Training

**Takeaways to help Board and Staff**

KHSAA was again pleased to be part of the new Superintendent Cohort training at KASA in early July. This early chance to be in front of the Superintendents helps them put a face to a name and find out the latest issues that face athletics. While we know athletics is not their highest priority (until a situation occurs), they have always been appreciative of our participation (and not just because we purchase lunch). This year, as most of our meetings, focused on legislative issues, including both past and future anticipated issues.
