Topic	NFHS Summer Meeting Attendance
NFHS Summer Meeting	
Sessions Attended	Lessons Learned from State Association Service, Name Image and Likeness Update, Bench Bad Behavior
Takeaways to help Board and Staff	Our state is already doing a lot of the things that were discussed in the work sessions. A takeaway from the Name Image and Likeness session was that NIL rules/policies are constantly changing, and I learned about the NFHS's resources available to help states stay current on NIL. The Benching Bad Behavior work sessions gave some techniques and strategies for in game crowd control and some of those strategies could be useful to our member schools.
General Commentary	I learned just how respected our Commissioner and our KHSAA staff are on a national level.
