**Subject:** Vector Solution Safe Schools

Hi Tony,

It is my hope all is well. I wanted to share a few offerings that I would like to add to our Safe Schools trainings modules annually. These, trainings are inside the Vector Solutions portal and ready to go.

I would like to have these added to the Administrators, Teachers & Paraprofessionals list of trainings. Additionally, I would like for the Board of Education & District Administrators to participate in the following trainings:

All modules are digital as indicated in Vector Solutions the members of the Board would need a user name and password assigned

**Board of Education & District Administrators will take **two** of the modules as shared below.**
