KENTUCKY SCHOOL BOARDS  
ASSOCIATION

Karen Byrd,

Executive Director

June 27, 2023

Mr. Jason Radford, Superintendent  
Oldham County Schools  
6165 West Highway 146  
Crestwood, KY 40014

Dear Superintendent Radford,

On behalf of the board of directors and staff of the Kentucky School Boards Association (KSBA), we thank you for your board team's engagement in association programming this past year. Your membership enriches our training opportunities and strengthens our advocacy efforts. KSBA remains the only organization working directly on behalf of Kentucky's 857 school board members and our continued success would not be possible without you.

For decades, 100 percent of Kentucky's public school districts have maintained active membership – a testament to our quality programming and our adaptability in an ever-changing education landscape. Through an ambitious 2022-23 strategic plan, KSBA remained committed to our priorities of *member ownership, advocacy, service delivery, and partnerships*. Below are just a few of the many ways we empowered board teams this year.

- Opportunities for state-mandated board training increased for the third consecutive year, driven by an expanding list of relevant topics and formats.
- KSBA staff monitored hundreds of education-related bills during the 2023 legislative session. We amplified the voices of school boards statewide by providing valuable feedback to lawmakers, and we contributed to bill draft language while discerning the potential impacts on school districts.
- Tens of thousands across Kentucky depended on KSBA publications, e-newsletters, online resources, videos, and social media content to inform their decisions as education leaders.
- As a founding member of the newly launched Consortium of State School Boards Associations (COSSBA), KSBA is making sure that what's important to Kentucky school board members is heard, understood, and acted upon at the national level.

So that we may continue to support your board team in providing quality educational opportunities for students, we ask you to renew your membership. The 2023-24 dues schedule was approved by KSBA's board of directors on June 17. Your district's dues for the new fiscal year are \$8,443.14. A copy of the invoice is enclosed.

Thank you for your commitment to the advancement of public education in Kentucky. Please contact us should you have any questions. As always, we welcome your insights and ideas for enhancing the member experience.

Sincerely,

Karen Byrd, KSBA President

Kerri Schelling, KSBA Executive Director
