

**Curriculum, Instruction, and Assessment  
Board Agenda  
Monday, July 31, 2023**

**PROFESSIONAL LEARNING**

- Many content areas and grade level teams have come in over the summer for six hours of professional learning working on curriculum alignment and finalizing curriculum documents.
- We will have two days of the Science of Reading training for the HS, one day of the Science of Reading Training for the elementary school, and one additional day of professional learning for the elementary school.
- We will be having a New Teacher Orientation on Tuesday, August 8. We will be focusing on our district mission, strengths, and having experienced teachers speaking to our new teachers.

**CURRICULUM/INSTRUCTION**

- During our curriculum professional learning days, we are focusing on ensuring all curriculum documents are up to date and all first quarter pacing guides are set so teachers have their first quarter planned.

**ASSESSMENT**

- We have signed a contract with ACT again to offer the District ACT to our students again in October and March.
- We have completed the Assessment Calendar for each school.

**FEDERAL FUNDS**

- I have been meeting with private school principals over the past month to go over Title I funds. Our Title I application is due in GMAP on August 11.
