AGENDA ITEM (ACTION ITEM):

Consider/Approve a building and grounds alteration request at Simon Kenton High for vinyl mesh window graphics to be installed on gym doors and windows.

APPLICABLE BOARD POLICY:

5.11 – Alterations of Buildings and Grounds

HISTORY/BACKGROUND:

The Simon Kenton High School SBDM Council approved of a request from Athletic Director Troy Roberts to have BSN Athletics install vinyl mesh window graphics on the entry doors of the main and auxiliary gyms, as well as the Athletic Department office space. Installation of the window graphics will increase the aesthetics of the gym area, promote branding of SK Athletic Programs, and improve safety by reducing sightlines into the expansive gym areas from exterior areas. The SK Athletic program has earned sufficient reward dollars with BSN Athletics to cover the cost of the materials and installation of the graphics. Future upkeep of the window graphics will be paid by the SK Athletic Department. This request has been reviewed and approved for Board consideration by the District's Operations team.

FISCAL/BUDGETARY IMPACT:

\$0 (no cost) to the General Fund or School Funds

RECOMMENDATION:

Approval for an alteration to the buildings and grounds at Simon Kenton High through the installation of vinyl mesh window graphics to gym doors and windows.
