Dear Mr. Diaz

Pursuant to your request, we are providing this letter proposal for surveying services for the above referenced project and detailed below. The scope of the services will include:

**TASK 1 – Topographic & Utility Survey (Original Area)**

Qk4 surveyors will prepare a topographic & utility survey of the area shown in the original proposal dated 10/24/22 and the project area was revised per email dated 3/22/23

**TASK 2 – Topographic & Utility Survey (Change Order Request No. 1)**

Per email from Mike Bashikhes, PE from SCB, dated 6/26/23. Additional topographic and utility information is required uphill from the project site for drainage design. See the area in white above in the sketch and being approximately 4 – 5 acres in size. This additional information will require an additional site visit from QK4 to collect the information office time for processing and updating the project drawings.

Total compensation for the additional services specified will be a **lump sum fee of \$4,500.**

We appreciate the opportunity to provide this proposal and hope to provide a quality delivered land survey for the overall success of your project. Should you have any questions, please feel free to contact our office at your convenience.

Sincerely,
