RE: BEHS Fine Arts Addition Project - Geotechnical Investigation Proposals **DC**

Presented for the Board's review were proposals for geotechnical investigation for the Fine Arts Addition to Bullitt East. Five requests for pricing were sent and three replied. Director of Facilities, Danny Clemens requests acceptance of the proposal from Withers Geothermal Drilling for the amount of \$18,100 and additional costs of steel casing estimated to be an additional \$1,400 to provide the geothermal test bore. A geothermal test bore is required to design the geothermal field. Funding will come from Construction funds.

I recommend approval of this request.

Bids:

Crabtree Drilling (Springfield, OH)

\$27,100

Steel Casing cost included

Withers Geothermal Drilling (Columbia, KY)

\$18,100 +(\$28/ft for steel casing)

Bluegrass Geothermal (Paris, KY)

\$28,500

Steel Casing cost included
