Superintendent's Report
Thursday, August 10

Facilities Updates - Lebanon Elementary

Members of the Board of Education and central office met with Rep. Pollock, KDE staff, and members of the Kentucky School Facilities Construction Commission to discuss possible options for a new Lebanon Elementary School.

Facilities Updates - Marion County High School

The Media Center is complete including new furniture.

Facilities Updates - Calvary Elementary

July 15

August 10

There's been considerable progress at CES over the past month.

Facilities Updates - Outdoor Classrooms

Outdoor classrooms are in-progress with some nearing completion.

Professional Development

New teachers attended the MCPS New Teacher Academy to go over procedures for the upcoming school year.

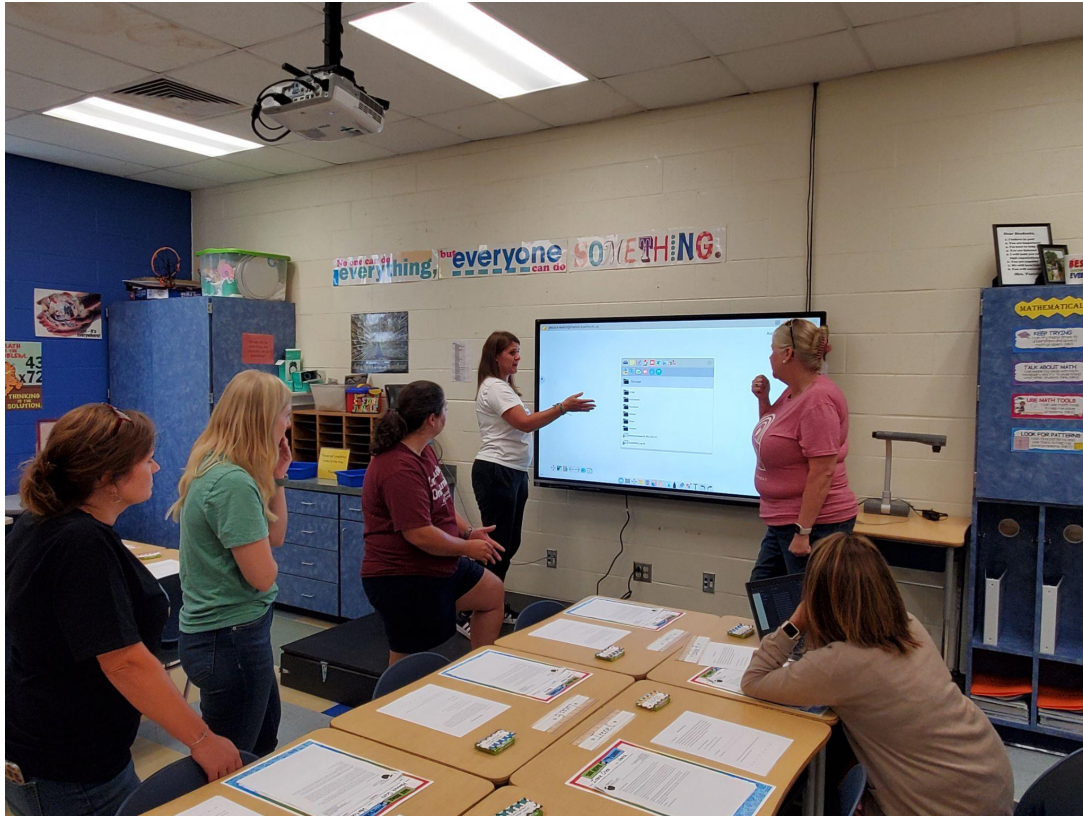

Professional Development

Media Specialists attended a training for the Distance-Learning systems purchased through the RUS grant.

Professional Development

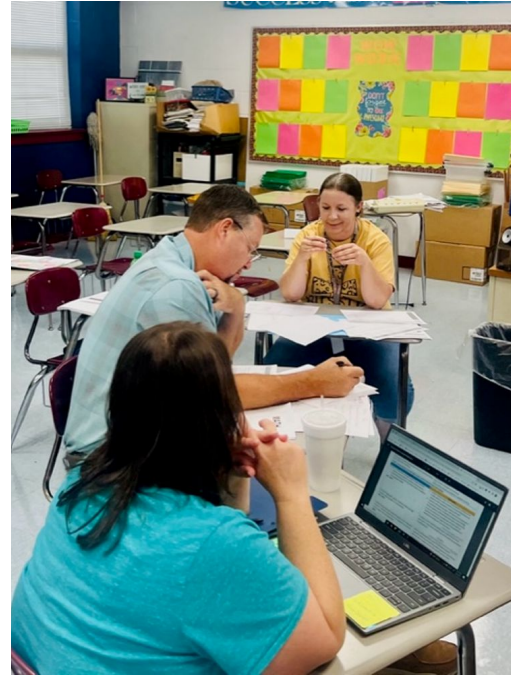

Teachers received training on the new ViewSonic boards -- nearly 120 boards have been installed across the district.

Professional Development

Teachers attended Standards Literacy training across three days

Professional Development

Communications specialists Bren McClain led a session titled “Serving Your Public, While Advancing Your District’s Message” to staff members focusing largely on improving customer service.

Summer Programming

Summer programming concluded recently.

In addition to summer camps and field trips, MCPS served over 16,000 meals across 26 separate feeding sites.
