

Members of the Bellevue Board of Education:

Please be advised that the Bellevue Independent School District has reviewed and implemented best practices regarding data security and privacy, pursuant to 702 KAR 1:170.

Among the best practices in place are:

- Continued staff communication on data security and privacy
- Limit access to data based on “need to know”
- Various network and file server security measures
- Increase in password strength (15-character pass phrase for all staff)
- Single sign-on ability in third-party applications
- Enable multi-factor authentication for all staff
- Review of third-party data applications for proper use of student data and protection of Personal Identifiable Information

I will be happy to answer any additional questions you may have.

Thank you,
Jim Seward
District Technology Coordinator
